Dear Business Owner:

Suisun American Little League (S.A.L.L) requests your sponsor assistance. We are a 100% volunteer organization striving to better the lives of the children in our community. Through your sponsorship and generous donations, we will be able to provide uniforms and equipment to over 300 boys and girls within our community, as well as maintaining a pleasurable and safe environment in which our children can participate in our national pastime. We are asking for your generous support as a member of our community to allow us to give back to our community. S.A.L.L.'S goal is to help develop life skills, citizenship, discipline, teamwork, and physical well-being through sports.

In November, we will once again be registering players for the 2018 season. S.A.L.L. is PROUD to announce the expansion of our baseball program to include a juniors division for players ages 13-14 and as a result, Suisun American Little League offers the opportunity for boys and girls ages 4 through 14 to play ball! Our Little League baseball program is outstanding and the whole community can enjoy the sport at one venue. We anticipate a tremendous turn out for this year's registration as we have more than doubled our league from the previous two years. We have even had the privilege of having an all-girls T-Ball team and as the girls have grown, they have continued to play and graduate to the higher divisions.

We trust we can count on you to be a part of our S.A.L.L family and sponsorship program. We are a non-profit organization; therefore, sponsorships are 100% tax deductible. We will provide our tax ID upon receipt.

“As you know, there is no Little League without the generous support of our Sponsors and Community.”

Thank you in advance for your support in helping serve the youth of our community. We cannot run our organization without you!

Please contact Mikaela Epps (League President) at 707-372-4245

OR

Maggie Parks (Vice President) at 707-689-4019 with any questions.

Sincerely,

Suisun American Little League and its Board of Directors
