

Soccer-RI Cup Policy on Rosters and Passes

Club passing is not allowed for the Soccer-RI Cup.

Spring league teams may drop and add players (age eligible) from within the team's club. The club name on the pass must match the club name on the roster. A player may only be rostered to and play for one team at the Soccer-RI Cup.

All players must be on the roster as printed from the GotSoccer Database. Additions to the GotSoccer database roster will not be allowed after the roster freeze date as published on the Soccer-RI Cup page at www.Soccer-RI.com look under Programs, Tournaments Soccer-RI Cup.

Home teams will print the Referee Game Reports from the GotSoccer database. The Referee Game Reports will list the Soccer-RI Cup roster for each team for the referees to use at check-in.
