Please remember the following:

- **This is a job; players, parents and the club count on you attending your scheduled games.**
- Once games are assigned to you, you are expected to attend the games. We actively work with referees' schedules to ensure they are getting enough matches without being overloaded.
- If you cannot work an assigned game, it is your responsibility to find a replacement referee. You need to:
 - If less than 6 days before the game, you will need to find your replacement ref for the game/s. Once you have found a replacement ref, contact WYSC to get approval for the replacement ref.
 - If more than 7 days before the game, contact WYSC by email. WYSC will help you find a replacement. The responsibility is still on the referee to ensure a replacement is found as (s)he is assigned up until another referee is assigned.
- Referees missing any of their scheduled games, without prior clearance from WYSC, will be automatically dropped from the rest of their scheduled games. Additionally, your pay rate will drop to \$17.00 per game for games already worked.
- Referees are scheduled/expected to arrive 15 minutes prior to their matches; arriving at match start time is considered late.
- Whenever possible, WYSC will assign 2/3 consecutive games per day to the refs.
- Home coaches are required to complete a game report for all games. They are required to get your post-game signature. The game report MUST be signed by both coaches as well, then handed into the office afterwards.
