  - Tim is trying to get every team to be able to play on the turf at least once, including developmental teams.
  - Strict limitations for use of field – No Food, No Drink, No Gum, No spikes on the track
    - All people will need to be cleared to be on the track or field during games.
- For now, Tim is using Twitter for Schedule Updates - @AHS\_Falcons
- There has been a problem with parents parking on the side of the school where team buses drop off. Near the locker room. Parking along that area is prohibited. Signs are being made and installed.
