

What Kind of Soccer Player Are You?

Type of Player

Just Getting Started

Future Star

Developing Soccer Player

Competitive Multi-Sport Athlete

Hard Core Soccer Player

Typical Attitude

- You're new to the game and just starting out
- Soccer is a fun recreational and social activity for you at this point

- You are a young gun – you love soccer and you can't wait to play competitive soccer like the older kids

- You've played soccer for a few years now and are starting to really enjoy the sport
- As a result, you're starting to think about how to take your game to the next level

- You play soccer in-season, but also enjoy playing a number of other sports on a competitive level as much or more than soccer
- You may be interested in someday playing soccer in High School

- You can't get enough soccer
- You often train on your own
- You watch soccer on tv and follow top teams and players
- You may dream of playing in college or professionally
