

SHARKS ELITE HOCKEY CLUB

LONG ISLAND'S PREMIER TIER II HOCKEY ORGANIZATION

October 13, 2020

Dear Sharks Families:

Here is an update on the latest information available to us.

1. Last night, Larry and I spoke with the President of the LIAHL (again). He is no longer requesting that teams refrain from booking games during the next two (2) weeks. Said another way, all teams are free to book games and travel as each team and its families may deem appropriate.
2. New Jersey is now allowing hockey, among other sports, to participate in games. Here is the link to the NJ Governors Announcement:
(<https://nj.gov/.../news/news/562020/approved/20201012a.shtml>)
3. We are told that NYS may shortly allow some form of competitive hockey. There is a meeting with the Governor's office next week, following which further information should become available.
4. LiveBarn is now available at Iceland. If you do not already have an account, LiveBarn is offering a special for new accounts using promo code "7401-7Kwm." The code to connect to the rink is 6601.

We will continue to keep you updated as additional information is known. In the meanwhile, if you, your player, or anyone in your family feels ill or is showing signs/symptoms of Covid, **STAY HOME!**

Yours in Hockey,

Sharks Elite Hockey Club
