I. INTRODUCTION

The purpose of this document is to provide basic information about our travel team program and tryout procedures. Please feel free to contact the Brookfield Soccer Club President or any Board Member if you have additional questions.

Brookfield Soccer Club (BSC) is a member of the Connecticut Junior Soccer Association (CJSA) and the United States Youth Soccer Association (USYSA). As such, we operate under the rules of those organizations. For CJSA inter-club competition in leagues and tournaments (i.e., travel teams), players are divided into age groups according to their age at the beginning of each Seasonal Year, August 1st.

The age brackets for the current seasonal year can be found on the BSC website at www.brookfieldsoccer.org.

CJSA groups all their member clubs into districts based on geographical proximity. The CJSA districts administer independent travel team leagues. BSC is a member of the Northwest District which includes: Bridgewater, Danbury, Goshen, Kent, Litchfield, Middlebury, Morris, New Fairfield, New Hartford, New Milford, Sharon, Shepaug, Sherman, Southbury, Terryville, Thomaston, Torrington, Washington, Waterbury, Watertown, Winsted, Wolcott, and Woodbury.

BSC strives to field at least one team for each gender, at each age level, from U-9 through U-14. Should not enough players be available to form a team, age groups may be combined for that seasonal year. BSC may also offer U-16 and/or U-19 teams for high school players each spring. (CICA rules make fall teams impractical for high school players.)

Additional details on Travel Teams & Tryouts can be found in the BSC Constitution & By-Laws located on the Documents page of the BSC web site www.brookfieldsoccer.org. (If there are any conflicts between this document and the BSC Constitution & By-Laws, the Constitution & By-Laws take precedence.)

The BSC President can also be contacted at president@brookfieldsoccer.org.

II. TRAVEL TEAMS

Travel teams are divided into 3 brackets, an A bracket (previously Division I), and a B and C bracket (previously Division II). All travel teams have similar schedules of activity, but there are some important differences.

As of the Spring 2001 season, BSC does allow Premier Players to be rostered on BSC Travel Teams for Northwest District League play and for tournaments, including the CT Cup, *as long as the **Commitment Requirements in section A.5 (below) are followed.*** Development (Pre-Premier) players are also allowed to be rostered to, and participate on, BSC Travel Teams. For clarification on what BSC considers Premier and Pre-Premier please read the Premier Policy document (available at www.brookfieldsoccer.org on the Policies page).

Late registered players and non-resident players will be placed on travel teams only as space permits – no guarantees.

A. A Bracket

A teams are competitive and are for the most skilled and dedicated players. A teams shall be assembled each seasonal year (fall and following spring) as the result of competitive tryouts.

1. Teams Offered (subject to player and district league availability):

- Boys: U-9 through U-14 (spring and fall), U-16 and/or U-19 (spring only).
- Girls: U-9 through U-14 (spring and fall), U-16 and/or U-19 (spring only).
- The Northwest District does not generally have a Girls U9 A Bracket League, but if one is formed BSC will try and place an A team in that division. This team will be decided based on tryout results.

2. Roster Size:

- U-9 through U11: 11-14 players.
- U-12 and above: 15-18 players.
- Exceptions may be made at the Club's discretion in order to place all registered players.

- Coach: Parent volunteer selected by the BSC Board each June for a one year term, or a paid approved trainer – as long as there is an 80% approval by parents of the team.
- Assistant Coaches: Parent volunteers chosen by the coach.

4. Player Selection (more detail in Section III.6 on page 8):

- Tryouts (once per seasonal year, in June).
 - Players wishing to play only one season (fall or spring) must attend tryouts to obtain a ranking in the event a spot opens up in the spring.
- At time of tryouts, players must inform BSC if they intend to play only one season so roster sizes can be adjusted accordingly. Not doing so is grounds for removal from the team.

 - Players that also tryout for Premier Teams, but want to assure they have a place to play in case they are not selected to be on a Premier Team.
 - Players accepted on a Premier Team will receive a full refund of their BSC registration fees, less a \$10.00 processing fee (less applicable late fees) as long as BSC is notified in writing by July 15th via mail (BSC, PO Box 5177, Brookfield, CT, 06804-5177) or e-mail (president@brookfieldsoccer.org). Afterwards, the standard BSC refund policy for Travel Team Players applies.
 - U14 Players that tryout and later decide to play for a high school team in the fall instead will receive a refund of their BSC registration fees less \$10 as long as BSC is notified in writing via mail (BSC, PO Box 5177, Brookfield, CT, 06804-5177) or e-mail (president@brookfieldsoccer.org). - Tryouts consist of several drills that focus on different aspects of player performance.
 - The drills often include, but are not limited to:
 - 1 vs. 1;
 - Shooting drills;
 - Small sided games;
 - Full or half field scrimmage.

BROOKFIELD SOCCER CLUB

Travel Team & Tryouts Policies

- Tactical: field sense, positioning, anticipation, communication.
- Assertiveness: aggressive instinct for the ball, passing under pressure, finishing (attack), pressuring, delaying, opportunistic tackling (defense).
- Speed: quickness, ability to break away (attack) or ability to quickly close down opponents (defense).
- Agility: the ability to accomplish techniques quickly with efficient and fast movements.

6. Player Selection:

- The team coach and two other Board appointed independent assessors evaluate the players and provide assessment scores and rankings for each player to the BSC Travel Commissioners.
- The Vice President, BSC Travel Commissioners, or appointed Board Member(s) compile the assessments and produce a single rank listing for each A team.
- From that listing, the top candidates are automatically selected for each team.
 - The top 15 ranked candidates for U12-U14. (Exception – if the team roster is set at 15, the top 14 candidates are automatically selected, and the coach may make a coach's pick.)
 - The top 11 ranked candidates for U09, U10 & U11. (Exception – if the team roster is set at 11, the top 10 candidates are automatically selected, and the coach may make a coach's pick.)
 - If a coach desires not to have a player from the assessor's list of top ranked candidates on the team, the coach must provide written justification for Board approval.
- The coach may add 2-3 additional players to their roster (depending on the roster size approved by the BSC Board) provided that:
 - The candidates were appropriately registered and attended tryouts; and,
 - Exception: If a player informs the Club President prior to tryouts that they can not attend tryouts due to injury or a family emergency, the coach may choose this player.
 - The candidates are of the appropriate soccer age; and,
 - The coach has valid justification to support his/her selections.
 - In addition to the tryout results provided by the assessors, the coach may consider other factors such as: attitude, teamwork, commitment, desire, maturity, team needs, coach-ability, etc.
- All proposed rosters must be reviewed and approved by the BSC Board before any player is notified of their selection status.
- All tryout candidates will be notified of their selection status in a timely manner, following roster approval by the BSC Board. Normally, this will be between July 15th and August 1st. Board meetings are held on the fourth Tuesday of each month.
- It is possible that positions may become available on A teams in the spring season due to injuries, a Board approved roster size increase, player transfers, etc. In this event, the Club will attempt to fill the positions:

BROOKFIELD SOCCER CLUB

Travel Team & Tryouts Policies

www.brookfieldsoccer.org

- First, with age appropriate players that tried out for the team but were not selected.
 - Selection will be based on their previous tryout ranking.
- Next, registered age appropriate players will be contacted by the Club to determine if they are interested in the open positions.
 - If necessary, a small tryout will be held prior to the spring season to select the players to fill the positions. The coach and at least one independent assessor evaluate the players.
- If there are not enough age appropriate registered players interested, the Club may advertise the open positions in an attempt to fill them.
- Players not selected for an A team will be placed on a B or C team

 - On occasion, the Board may require players to play up one or two age levels in order to play at all. In this event, players/parents will be notified and given the choice to play up or withdraw their registration and receive a full refund (less applicable late fees)
- Playing up will not be allowed unless all registered players can be placed on a team and roster sizes remain within the limits required by the BSC By-Laws.

2. **Double Rostering**
