

# ICE CHIPS

## Message From The President

I would like to welcome the new players joining the Enfield Hockey Association family this season and welcome back all of our returning skaters. The board members, coaches and all EHA volunteers will do their best to surpass your expectations for this new hockey season.

For thirty-eight years the Enfield Hockey Association has continued to develop young hockey players into young adults. Enfield Hockey Association provides opportunities to players of all ages and skill levels, from ages 3 to 17 we will provide an enjoyable place for you to play.

Enfield Hockey not only provides hockey instruction; we promote core values of teamwork, hard work and sportsmanship by all. We feel that we must all work hard to encourage our young players to become young adults we will all be proud of. All our volunteers are working very hard to make this the best hockey association it can be. That is where you come in.

As with most non-profit organizations, we are always looking for volunteers to help with the many fundraisers and activities that are so important to the success of our organization. I would ask that you help in any way you can. I invite you to come to our monthly association meeting held on the first Tuesday of each month at 7:00 p.m. at Asnuntuck Community College at 170 Elm Street in Enfield. In addition to volunteering your time, we need your feedback. If you have an idea that you feel will make this a better organization, let us know. We are here for you. You should also know that I am always available if you need to speak to me by phone at (860) 847-0901 or via e-mail at [ssniffin01@snet.net](mailto:ssniffin01@snet.net).

Whether this is your first year or your tenth, I welcome you back for our 38th season and thank you for skating with the Enfield Hockey Association. I wish you and your skater a fun season.

Shawn Sniffin  
President, Enfield Hockey Association

## Booster Club News

The Booster Club provides numerous support services to members of the Enfield Hockey Association. These services are **banquets, yearbooks, trophies, dances, charity events,** and much more.

The Booster Club is made up of volunteers who are interested in spending a few hours a week working on some of the activities mentioned above. Booster Club members know that the work put into many of these services is appreciated by all people in the association and makes the hockey season a fulfilling one.

If you are interested in becoming a Booster Club member, complete the attached application form that is included in the registration package or sign up at the Booster Club table at registration.

Meetings are generally held the 3rd Thursday at 7:00pm of every month starting in September at the Enfield Twin Rinks unless otherwise noted.

## Inside Player Development

**Did you know that EHA offers FREE clinics to skaters and goalies throughout the season?**

Enfield Hockey provides these free clinics to give all skaters a little extra ice time to work on the fundamentals of the game.

These clinics, which are held at the Enfield Twin Rinks, are free of charge and provide additional hockey instruction to our skaters. With the exception of the goalie clinics, each clinic is targeted towards a specific age group. The goalie clinics are open to goalies in all age groups.

### EHA Announces Sponsorship Share Program For 2007-2008 Season

The Sponsorship Share Program was created as a way for skaters to reduce their payments and also assist the Association with collecting the funds they need to pay Association bills (Clinics, equipment, web site and other organization expenses).

Skaters, who choose to participate in the program, solicit area businesses for sponsorships. A portion of the money collected from the sponsors will be applied to the skater's ice payment while the remainder of the money will be used to help fund the Association. Participation in this voluntary program allows skaters to significantly reduce their ice payments.
