From the President

Welcome back EHA families and players and also our new families and players.

Our season will start after Labor Day. This season EHA will have ice at ETR, CYR and South Windsor Arena. The 2015-2016 season will end when spring arrives in March 2016.

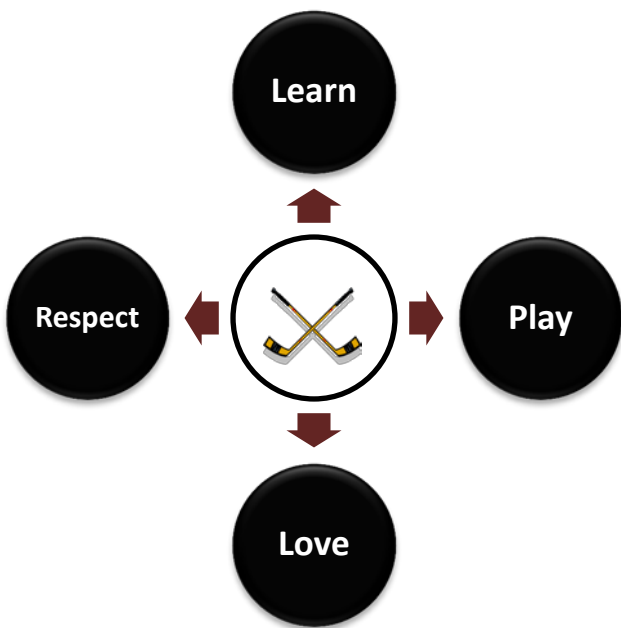

Our EHA board has many new members. During the summer months we have been planning new approaches to skills, rules, discipline, sportsmanship, safety and most of all-FUN for players and families.

Further information will follow through our web site, Ice Chips and from coaches, team parents, directors and board members.

We welcome suggestions any time that will benefit our programs and as all ways our monthly board meetings are open to all EHA families.

Thank you and let's "Have a Fun and Safe Season "

Ed Poremba- EHA President

SUMMER SKATE

A great big THANK YOU to all those who helped create another successful Summer Skate program.

This year we had over 100 skaters across all divisions come out to work on their skills, engage in some competitive pond hockey, and cool off from the hot summer. EHA thanks all the skaters and families who came out, and the coaches who volunteered to run the sessions. Looking forward to a great season. Go Eagles!

Inside Player Development

LEARN TO SKATE—Tell a Friend!

EHA's Learn to Skate (LTS) division is breaking ground on a new, more comprehensive program for this season. Moving to 2 sheets of ice a week, EHA is giving beginning skaters double the chance to learn the coolest game on earth.

NEW FOR 2015-2016: LTS Skater Packages

For ALL LTS Skaters, an optional equipment package will be available at DK's to help outfit the future of our sport.

Stop by DK's and ask about our new LTS Equipment Program!!

Coach Tom Terhune is always looking for more skaters to add to his ice...so spread the word...get involved...and Go Eagles!!
