

2020-2021

Enfield Hockey Association

Squirt Division

Below are the Squirt Division teams for the 2020-2021 season. As we are actively adding skaters to their respective teams in the system, please be sure to go to the website and match your skater with their respective team's schedule in the system.

The first practice for all divisions will be on Wednesday, September 16th, and coaches should be reaching out before then.

Thank you for your commitment to EHA and we are very excited to officially get this season started.
