## **U-15 Lady Eagles Face Home Ice Defeat**

By Katherine Murray

On Saturday, 11/2/02, The U-15 Lady Eagles went down stoically to the clutches of defeat. The Northford Polar Bears, 7 to 2, soundly defeated the Eagles.

Enfield hit the ice with enthusiasm, drawing the first goal a little over a minute into regulation play. Kim Pizzoferrato, assisted by Tara Walsh, scored the goal. The Lady Eagles would not score again until the end of the third period. Erica Warzyski, assisted by lines man Jesse O'Connell, earned the team's second and final goal. Northford scored a punishing 7 goals throughout the three periods of play.

Post game Coach Rossignol noted the lack of team effort as being the key to his team's defeat. He noted the strong offensive play of Sam Smith and Elyse Rossignol as bright spots during the game. He also noted the strong physical play of Chelsea Cormier, who appeared undaunted, if not motivated, by Northford's rough style of play. Eleanor Peck was complimented on her strong play in net during the first half of the game, facing down Northford's numerous attacks on goal with determined composure.

It is this fan's hope that lessons learned in defeat make their impression. The Eagles will go on to many more encounters with the Bears. Perhaps during the next meeting of these two opponents, the Eagles will soar united by scars from the past.

## **U-15 Lady Eagles Victorious in New Hampshire**

By Katherine Murray

Sunday, 11/3/02, found the U-15 Lady Eagles on the road to Exeter, New Hampshire. Though the autumn colors had faded during the course of a weekend's travels, the Eagles desire to win had not! The Lady Eagles won the Seacoast game 4 - 0, earning the team goalies another shut out for the season.

The first period found Sam Smith in the mood to score. With a little help from lines mate, Laura Bartus, Sam scored the team's first goal 4 minutes into the first period. No additions to the scoreboard were to be added until the third period. Though Chelsea Cormier stopped the collective heart of the stands during the second with a steal at half-ice and rush on the Seacoast net, she was to be denied in her attempt! Way to get the crowd on their feet, Chelsea!  
(Continued on page 3)

(Continued from page 2)

Erica Warzyski started the Enfield rally at the top of the third period, when she took her own rebound and netted it at the 8-minute mark. This was obviously not enough for Erica, as she earned her second goal 5 minutes later, off of a well-executed rush on the Seacoast net. The period and game closed out dramatically. Ali Murray pushed the puck up to Kim Pizzerferrato who placed the last goal of the game in the net with a scant 24 seconds remaining on the clock.

Coaches Rossignol and Walsh were please to see the return of team effort and spirit to their squad. Coach Rossignol was quoted as saying, "What a difference a day makes!" It was obvious that all the Lady Eagles showed up to play with renewed effort on Sunday afternoon. The coaching staff noted the effort exerted by Jesse O'Connell, Karly Bruce, Erica Warzyski and Nicole Clavette. Other solid performers during Sunday's game were Sam Smith and Chelsea Cormier. Congratulations on the win, Lady Eagles!

## **U-15 Lady Eagles Defeat Greater New Haven**

By Katherine Murray

On Saturday, 11/9/02, The U-15 Lady Eagles hosted Greater New Haven at Enfield Twin Rinks for the first time this season. The Lady Eagles put on a strong showing, shutting out New Haven. The final score stood at 7 - 0, Enfield.

Enfield's offensive lines dominated the first period. Credit for the team's first goal went to Chelsea Cormier, at the halfway mark in the period. Kristen Willard assisted Chelsea. The next offensive pairing to achieve was that of Jessie O'Connell and Erica Warzyski. Jessie earned the goal of a drop pass from Erica. It was on to the second with the Eagles in charge.

Erica Warzyski earned her first game goal during the seven-minute mark of the second period. Karly Bruce and Eleni Pitardis aided Erica in her quest. Kim Pizzoferrato closed out the second period with only 2 seconds remaining on the clock. Kim was assisted by defenseman, Tara Walsh.

The third period found Chelsea and Kristen again earning the period's opening goal. Kristen's deflection at the net was put in by Chelsea's perseverance! Jessie O'Connell earned her second goal and the team's 6<sup>th</sup> game goal with 2 minutes remaining in the third. Nice rush on net, Jesse! Tara Walsh closed out the team's scoring and the game with what is becoming her signature move, a wrap-around goal. Caitlin McGunigle finished what Elle Peck started, earning her team another shutout.

Post game; the coaches noted the team's strong shooting and evident desire to win as keys to Saturday's success. Defensively, Coach Rossignol complimented Eleni Pitardis and Siobhan Davis on strong games. Offensively, Coach Rossignol called Kristen Willard's skating and work ethic "an inspiration" to the entire team. Coach Willard noted that it was nice to see all of the offensive lines coming into their own this early in the season. He noted the strong movement of the puck out of the zone and patience in passing as keys to victory over New Haven. Other Praise went to Chelsea Cormier for her solid play up the middle and to Jen Strayer for her tireless defensive play. What can we say about Erica Warzyski - don't stop! Congratulations on a solid team effort, Lady Eagles.

## **U-15 Lady Eagles Triumphant Over Assabet**

By Katherine Murray

Sunday, 11/10/02, found the U-15 Lady Eagles on the road to Concord, MA to face off against the Assabet Valley Girls Blue team. The Lady Eagles came out strong against Assabet, holding off their attempts on net until the final period of the game. For Assabet, it was a case of too little, too late. Enfield won the game with a final score of 5 to 3.

The first period was a battle between the two teams with Enfield visiting Assabet's net with greater frequency. Enfield's first goal did not come until 5 minutes remained in the period. It was earned through the joint efforts of Erica Warzyski, Jesse O'Connell and Karly Bruce. Erica got credit for the goal, with assists going to her linemen. Nice teamwork, ladies!

The second period again found the Lady Eagles earning goal at the end of the period. This time the credits go to Sam Smith with the assist coming from Chelsea Cormier. Defensively, Caitlin McGunigle stood tall between the pipes, closing out her second period with no goals!

During the third period, Assabet rallied, earning three goals answering each of Enfield's goals. Enfield's Sam Smith earned her second game goal with the assistance of Kristen Willard 45 seconds in the period. Nice way to take control of the puck drop, ladies. The second goal during the period went to Karly Bruce, assisted by Kristen Willard and Chelsea Cormier. The final goal went was earned by Erica Warzyski with the support of linesmen Jessie O'Connell and Karly Bruce. The final score stood at 5 - 3, Enfield.

Coach Rossignol commented on the winning line of Willard, Cormier and Smith post game. In addition, he stated it was hard to find fault with any of the lines during Sunday's match-up. Defensively, Coach Rossignol stated that Kim Pizzoferrato took charge showing, "how to move the puck to your team's advantage." Eleni Pitardis put in yet another strong showing defensively. If not for the efforts of the sole goalie, Caitlin McGunigle, the pace of the game would not have suited Enfield. Congratulations on another road win, Lady Eagles.

## **U-15 Lady Eagles Tie-up Assabet White**

By Katherine Murray

This past Saturday, 11/23/02, the U-15 Lady Eagles handed the Assabet White squad their first tie of the season. Emotions ran high on the Assabet team as an eager Enfield team blemished their opponent's undefeated status with a tie.

Enfield launched an all out team effort, making it hard for Assabet to maintain it's composure in the face of the Eagles onslaught.

The only goals of the game came in the first period of play. Assabet drew the first goal 1 minute into regulation play. Rather than defeat the Eagles, the goal ignited the desire of all Enfield players. Two minutes later, Sam Smith received a pass from Chelsea Cormier and netted the tying goal. Nice teamwork, ladies!

The second and third periods of play were action packed, as these two gutsy opponents battled back and forth between the zones. Though no additional goals were added to the scoreboard, the game was a heart-stopper for those loyal to the Eagles! On several occasions it appeared that Jesse O'Connell, Kim Pizzoferrato or Laura Bartus would deliver the winning goal, only to be denied by a whistle!

One key to the team's success was the outstanding performance of goalie, Caitlin McGunigle. Caitlin handled the game like a seasoned pro, commanding control of the pace of the game. Much to Assabet's dismay, Caitlin's command performance took its toll. Way to go Caitlin - keep up the good work! (Continued on Page 5)

(Continued from page 4)

Offensively, the tone of the game was set early on by the speed, determination and physical play of Kristen Willard. Chelsea Cormier put on a solid game down the middle, making herself a force to be reckoned with. Sam Smith matched the zeal of her linesman, adding her determination to the mix. Definitely a triple threat to the opposing team!

Defensively speaking, Tara Walsh was on her game. Her example set the tone for Enfield's defensive bench. Eleni Pitardis' physical style of play forced Assabet to the boards, eliminating many a shot on net. Jen Strayer and Siobhan Davis held the blue line with a quiet determination. All four came together with goalie McGunigle to mount an awesome defense

I can't say when I have seen Coach Rossignol so happy! I had to interrupt his smiles to get comments on the game. Coach Ros complimented the entire U-15 squad stating, "If we played every game with that level of determination, no one would get past us!" A very pleased Coach Willard commented on the gutsy play of every team member, crowning this game "a total team victory." Congratulations Lady Eagles, do not loose that fire and determination.

## **U-15 Lady Eagles Shutout Greater New Haven**

By Katherine Murray

On Sunday, November 24<sup>th</sup>, The U-15 Lady Eagles traveled to Northford to play Greater New Haven. Enfield shutout the New Haven team with a final score of 9 to 0. The shutout was earned by goalie, Caitlin McGunigle, with the support of her team!

Tara led off the scoring during the first period with a rush on net. Her goal came 5 minutes into the period. Kim Pizzoferrato followed up Tara's effort with her first goal of the game. Erica Warzyski assisted Kim.

During the second period Kim Pizzoferrato scored consecutive goals, moving the score for Enfield to 4 - 0 and earning the first hat-trick of the season. Congratulations, Kim. Life is good on the frontlines! Jesse O'Connell earned the team's 5<sup>th</sup> goal of the game, assisted by Laura Bartus. Tara Walsh closed out the second period with a well-executed wrap around goal.

Katie Byrne ruled the third, earning the opening and closing goals during the period. Erica Warzyski on both goals supported Katie. Erica took center stage netting a goal with the assistance of linesman, Jesse O'Connell. The final score stood at 9 - 0, Enfield.

Post game; Coach Rossignol stated that defensively, Tara Walsh and Hen Strayer pout in solid performances in support of goalie McGunigle. Offensively, the gold star of the game goes to Kim Pizzoferrato (who was still on ice collecting her hats and could not comment)! Good game, Enfield.

## **Eagles Send Sharks Back to Deep Water**

By Katherine Murray

Post Thanksgiving, the U-15 Lady Eagles had shark on their menus. On Saturday, 11/30/02, the Eagles welcomed the Lady Sharks to Enfield Twin Rinks. The Eagles dominated the game, putting more shots on net than the Sharks. The final score of the game was 5 - 1 Enfield.

The first Eagle to light the scoreboard was defenseman, Jen Strayer. Jen artfully took the puck from Stamford just over the red line and rushed the remainder of the ice to start the scoring rally for her team. Jen's move came two minutes into the first period. Nice fake on the goalie, Jen! Five minutes later, Sam Smith followed up Jen's goal with her own unassisted effort.

The second period found Erica Warzyski in the mood to score. And score she did! Erica earned the team's third goal at the 7-minute mark with the assistance of Tara Walsh. With a little over a minute left in the period, Tara earned the team's 4<sup>th</sup> goal with the assistance of Erica Warzyski and Jesse O'Connell. This goal came off of a series of well-executed passes and was exciting to watch. Never underestimate the power of the triangle, ladies!

(Continued on page 6)

(Continued from page 5)

The third period opened with Stamford earning their first goal, after successfully screening Enfield's goalie. The period closed on a high note with defenseman Tara Walsh rushing the puck to Stamford's goal. The final Enfield goal was earned at the 5-minute mark. The final score of the game stood at 5 -1, Enfield.

Coach Rossignol commented on Tara Walsh's great game. He further noted the strong play of Erica Warzyski and Jesse O'Connell. Defensively, Coach noted the solid play of Siobhan Davis and Jen Strayer. Coach Rossignol especially liked Jen Strayer's the beautiful rush and fake on Stamford's goalie. One concern that Coach Ros expressed was on behalf of player, Eleni Pitardis. Coach Rossignol has proclaimed that Eleni's new name is, "Grace." He further commented that, "for a former figure skater, one would expect Eleni to fall less frequently!" Eleni has promised to keep her edge during the next game! Congratulations on your win, Lady Eagles.

## **U-15 Lady Eagles Tie Tri-Town at Fitzpatrick Arena**

By Katherine Murray

On Sunday, 12/1/02, The U-15 Lady Eagles were on the road again! They traveled to Holyoke, MA to face-off against the newly formed Tri-Town U-17 Team. The Tri-Town team put on quite the showing. Enfield matched the team's physical style of play earning a 3 to 3 tie at the final buzzer.

Enfield opened the scoring with the first goal coming 2 minutes into regulation play. Chelsea Cormier, assisted by Sam Smith, earned the goal. Enfield's second goal came two minutes later. Erica Warzyski scored the goal with the support of defenseman Eleni Pitardis. No further goals were scored during the first period.

Tri-Town took the lead during the second period, earning two of their three goals. Though Enfield did not score during the period, they continued to pepper the talented Tri-Town Goalie with shots on net.

During the third period Enfield took the lead when Sam Smith earned the Team's final goal early in the period. Linesmen Kristen Willard and Chelsea Cormier supported Sam. The game lead would be short-lived, as Tri-Town earned the tying goal at the three-minute mark. The game ended in a 3 - 3 tie.

Post game; Coach Rossignol was pleased with his team's performance, noting that they out shot the Tri-Town team. Defensively, Coach Rossignol praised Tara Walsh and Siobhan Davis for their many contributions during the physically demanding game. Offensively, Coach noted Erica Warzyski and Jesse O'Connell for their outstanding performances. In addition he noted that Chelsea Cormier had an, "awesome" game. Coach Willard noted the strong performance of goalies McGunigle and Peck. Congratulations on matching Tri-Town's physical level of play. Now that you know them, you can sharpen your talons and prepare for your next meeting!

## **Mite A Opens Season With A Tie**

By Mary Palmer

Our 2002-03 Mite A Eagles opened this season with a 2-2 tie against Wallingford on Sept. 28<sup>th</sup>. Our kids were a bit nervous, especially considering many of these kids have never seen travel competition. With six 1995 players and only one returning player from last year's squad, our work is cut out for us to develop leadership and confidence within our team. I am sure it will take some time, but confident once it arrives we'll be much better for it. Time will tell, I guess.

Joe Stasiowski scored both Eagle goals thanks to his relentless hustle, stick handling and pursuit of Wallingford's goal. Assists were credited to A.J. Latulippe, Cullen Roberts and Matt Antonacci. Mike Thompson performed well between the posts. They finally realized they could play at this level. Good for them.....Keep working hard.

I, for one am impressed on how quickly our Mite A's stepped up their play against Bridgeport in only their second tilt of the season. Bridgeport tied the game at 4-4 late in the third period on their eighth power play of the game. Our Eagles managed to score all of their goals without the benefit of a single power play and actually tallied two of them while short-handed. Way to go. To be honest, I'd just assume playing with only four; it is less likely they'll bump into each other.

(Continued on page 7)

(Continued from page 6)

These Eagles are still learning the basics. Things like offside, changing on the fly, speed and positions. This is no fault to them, since all our practice time has focused on individual technique and skills. We may not be the best positional team, but our skating and stick handling has defiantly improves. Great job kids.

Goals were scored by Daniel Haber (2), Matt Antonacci and Zack Palmer. Assists were credited to A.J. Latulippe and Cullen Roberts. Goaltender Mike Thompson was the team's backbone after recording 22 saves. Shannon Cherpak, Joe Stasiowski, Avery Boissy, Cole Henry and Stephen Picard were solid on defense. Way to go kids, keep up the hard work!

## **Mite A's With Hard Fought ECHO Victory**

By Mary Palmer

On October 5<sup>th</sup>, our Mite A's skated to a hard fought 2-1 victory over a skilled ECHO squad. The team was elated, especially after the final buzzer. The shots and hustle applied by both teams was pretty equal.

Matt Antonacci opened the scorer's sheet at the 9:22 mark of the second. His defensive partner Steve Picard helped Matt. Our Eagles increased their lead on a nice goal by Evan Boissy, assisted by Matt. ECHO got on the board at the 6:14 mark of the third.

Our coaches were extremely impressed with how well our young eagles are using their skills. We may not look pretty as far as team play and set positional formation, but our future 1 on 1 tools are defiantly improving.

## **Mite A's Suffer Loss Despite Great Effort**

By Mary Palmer

Our Eagles lost a tough one against Southern the following morning, 7-2. Every car was equipped with a pillow and blanket for this 7:25 a.m. tilt in Milford, CT. Nothing like being put to a challenge. While our kids and coaches tried to keep our yawns to a minimum, our Eagles fought hard from start to finish. Fatigue, anxiety and the lack of positional practice time got in the way of our kids winning. Then again who remembers wins and loses at this age?

Southern opened the scoring early. They scored two quick goals against our flat-footed Eagles in the first two minutes of the game. After a quick time-out, our kids jumped back into the game with two quick goals of their own (35 seconds apart) to even the score. Matt Antonacci and David Ouellette tallied for an Enfield with assists going to Stephen Picard (2), Zack Palmer and Matt. Southern capitalized a minute later to take a 3-2 lead.

Entering the third, the score still hadn't changed. Our eagles just couldn't find the handle on some very good opportunities. Mike Thompson did a great job preserving the score as well. The game was lost mid-way in the third with Southern's 4<sup>th</sup> tally.

Our kids were exhausted, frustrated and confused. I can't blame them, they played a great game. Mistakes were made, but they will be corrected once they mature and gain confidence in themselves. Keep your heads up, everyone is proud of you.

## **Mite A's Face the "Havens"**

By Mary Palmer

Our Mite A Eagles fought hard and often against both East Haven and Greater New Haven, but were unable to pull out a victory. In our first tilt of the weekend down in East Haven, our boys and girl lost 7-0. The game was surprisingly clean (only three penalties called.) Every Enfield kid demonstrated their skills, but are slowly learning the fundamentals of playing together.

Mike Thompson recorded 19 saves while Zack Palmer, Davis Ouellette and Cam Calcolice registered a +/- of -1. After spending the last half of the first period in EH's zone, our kids still couldn't find the back of their net. During the period they were on constant motion. Dribbling thru their players wasn't a problem. Finding an outlet well, that was another story!

(Continued on page 8)

(Continued from page 7)

Our second game of this lovely fall weekend was against Greater New Haven. After holding them scoreless for the first half of the game, GNH finally tied our kids at 1 apiece. The flood gates must have opened because GHN continued on their scoring way three more times in the next 3 ½ minutes. Our kids fought hard for a scoreless third.

Enfield was led by defense, Shannon Cherpak, Stephen Picard, Joe Stasiowski and Avery Boissy. Mike Thompson played well while making his 17 stops. Our Eagles lone goal was scored by David Ouellette, assisted by Evan Boissy. Leading our team in the +/- category was Stephen, Evan and Shannon. Way to go kids keep your heads up we are all proud of you.

## **Robert's Hat Trick Assures Mite A Win**

By Mary Palmer

Our hungry Mite A Eagles anxiously defeated our friends from Wallingford. The Wallingford Hawks were a tough team from start to finish. If it weren't for a spirit of five unanswered goals in less than 4 minutes the game would have been tied.

These two teams played at a much improved pace compared to our first match-up (2-2) tie. It amazes me how quickly this age learns. Good for them.....Keep up the fun and hard work.

Our Eagles opened the game with a quick goal by Avery Boissy. Avery dribbled tight and quick to advance through the Hawk's defense and scored on a quick low shot only 22 seconds into the tilt. Way to go Avery!

The Hawk's countered with two goals in the first to take a 2-1 lead entering the second. Midway through the 2<sup>nd</sup> Eagle winger Cullen Roberts score to even the tilt. Joe Stasiowski scored the go ahead with only 17 ticks left in the second. Zack Palmer recorded an assist on Joe's tally. What transpired from this point on for the next 3:52 of the game was simply amazing. Our eagles passed, skated, stickhandled and scored five goals. Oh Wow! All U can say is "where was this team the last few weeks?" Training?

"Game Puck" winner scored Enfield's goals Cullen (hat-trick), Zack and Matt Antonacci. Assists were rewarded to Avery, Joe, Matt and Zack. Cullen's third goal was scored from his belly! Great effort Cullen!

Defensively, A.J. Latulippe, Shannon Cherpak, Daniel Haber, Avery, Evan, Zack, Matt and Stephen Picard led our Eagles. Mike Thompson was incredible in goal. Just ask Wallingford's coach. Way to go Mike! Mike recorded 16 saves.

## **Mite A Eagles Soar Above the Red Wings**

By Mary Palmer

On October 27, 2002 our Mite A Eagles traveled down to Taft to take on the Watertown Red Wings. These same Eagles were fortunate to toll back to their warm homey confines with a hard fought 6-5 victory. Good for them!

Watertown, while possessing some exceptionally skilled players jumped to an early 2-goal lead. Our Eagles regrouped and scores a quick three goals of their own. Matt Antonacci connected twice (1 assist) and Zack Palmer (1 assist) once. Enfield scored the three unanswered goals in a matter of 23 seconds. Go figure! Anyways, our Eagles took the lead 3-2.

The Wings went on the offensive and gained a 5-3 lead early in the third. Our Eagles scored the final three goals in the third due to great team passing, skating, stickhandling and shooting. Goals were scored by "Game Puck" winner Matt (4 goals, 1 assist) and defenseman Daniel Haber. Mike Thompson was extremely solid protecting our twine.

## **Enfield Mite A Eagles Cruise Past South Windsor**

By Mary Palmer

Our Enfield Mite A Eagles defeated our perennial rivals from South Windsor by the score 7-1 on November 2<sup>nd</sup>. Matt Antonacci registered another hat-trick. Zack Palmer (2 goals), Cullen Roberts and Cam Calcolice also tallied for our Eagles. Congratulations to Cam on his first goal of the season. Assists were awarded to Joe Stasiowski (2), David Ouellette (2), Shannon Cherpak, Stephen Picard and Avery Boissy. Mike Thompson was steady between the pipes. AJ Latulippe and Daniel Haber were solid on our blue line. Evan Boissy and Cole Henry were forces on the front.

## **Mite A's Squeak By South Windsor**

By Mary Palmer

On November 9<sup>th</sup>, our gritty Mite A's faced-off against an impressive Simsbury squad. The shots on goal were pretty equal (19-18, Simsbury) as was the score (5-4, Enfield). Goaltending was the key to victory for our young Eagles. Mike Thompson was spectacular in protecting the nets for Enfield. Joe Stasiowski (2 goals), Matt Antonacci (2 goals) and David Ouellette (1 goal) provided the necessary punches for victory. Cullen Roberts, Shannon Cherpak and Evan Boissy chipped in with helpers.

## **Antonacci's Hat Trick Powers Mite A's**

By Mary Palmer

Our Eagles had a rematch with South Windsor on November 10<sup>th</sup>. Unlike our previous tilt, this one was tight from start to finish. Matt Antonacci (hat trick) scored the game winner with 1:24 left in the third to give his team a 3-2 win. Once again, the goaltending performance by Mike Thompson was huge in preserving our Eagle's victory.

## **Mite A's Roll in Sixth Straight Win**

By Mary Palmer

Our Enfield Mite A Eagles rolled past Hamden with a solid 7-1 win at ETR on November 16<sup>th</sup>. Hamden started off strong, scoring their only goal 42 seconds into the game. Our kids remained confident and slowly but surely began to take control of the game midway in the first. Shannon Cherpak attacked Hamden's goal to redirect a beautiful feed from Matt Antonacci. Congratulations to Shannon on scoring her first goal of the season. I'm sure there will be many more to follow.

Matt scored the go-ahead with 5:15 left in the second period off a nice pass by Evan Boissy. Speedster, David Ouellette, went on to tally the next two goals to increase our Eagle lead to 4-1 heading into the third. AJ Latulippe, Shannon and Matt were credited with helpers. Mike Thompson was unbeatable in goal.

Twenty-three seconds into the third, Joe Stasiowski continued our scoring ways to build our kids a comfortable 5-1 margin. Matt and Stephen Picard closed out the game with help from David and Matt, respectively. Congratulations to Stephen for getting his first goal of the season. Daniel Haber and Avery Boissy were a force on our blue line. Zack Palmer, Cam Calcolice, Cole Henry and Cullen Roberts chipped in with intense hustle and pressure in the offensive zone for our Eagles. Our team improved its record to 7-4-2 and increased our winning streak to six games. Way to go kids, keep on getting better...

## **Pee Wee B's**

By Lisa Reda

**Enfield 2      Central 8**

The Pee Wee B's traveled to Central on Sunday morning looking to put another game in the W column. This was not to be as the Eagles were grounded 8-2. The first period began slowly with most of the play in the neutral zone.

Central struck first by catching in Enfield in a line change and scoring on the 3 on 2 rush. Justin Ashline had a few nice plays clearing the zone and ending Central threats. The lead was increased when a Central wing slipped behind the D for an easy backdoor goal. An apparent Enfield goal by Matt Reda was called off as a result of a quick whistle. Central scored early and often in the 2<sup>nd</sup>. Enfield's Pete Aikins found net with a nice wrist shot from the right circle to narrow the score 3-1. The floodgates then opened as Central scored 3 unanswered goals. Enfield failed to capitalize on a power play late in the period as defensemen Eddie Dukette and Thomas Campion led various rushes in an attempt to add some punch to the Eagles attack. Goals were swapped in the 3<sup>rd</sup> with Jordan Knightly poking in a shot from just outside the slot. Assists went to David Cardaropoli and Josh Fasano. One final breakaway goal late in the game ended the Central scoring.

## **Pee Wee B vs Hamden**

By Mary Sullivan

Saturday night's game against Hamden looked like it was going to be a tough win for the mighty Eagles. The first period was scoreless. The 2nd period the Eagles game out with force. Jordan Knightly lighted the boards up with his first of two for this game (assisted by David Cardaropoli). Hamden answered back with a goal of their own. The third period Enfield got down to business... David sent the puck to the back of the net with a great pass from Dan Kraucunas. Jordan was next with another pass from David...this line is on fire. The fourth goal came from our defense. Tom Campion sends that baby home with an awesome shot. By the end of the game it was Enfield 4, Hamden 1. Hats off to the defense, Justin Ashline, Ed Dukette, Kurtis Lapointe, and Thomas Campion who held strong and shut Hamden down. And what can we say about goalie Kyle Dyer who is always awesome, except thanks. Up next Yale!

## **Pee Wee B Eagles Tie Springfield Capitols**

By Lisa Reda

The Pee Wee B's closed out the first third of the season by going 0-2-1 with a string of hard fought battles. The first game brought the Eagles and the Springfield Capitols together at the Hartford Civic Center as the under card for the Wolfpack-Falcon's game. The action was fast and furious at the start of the first with most of the action in the Enfield end. Kurt LaPointe and Thomas Campion kept the Caps at bay with nice defensive play. LaPointe became a bit too aggressive and picked up a hooking call late in the first. Jordan Knightly and David Cardaropoli applied enough pressure to kill the penalty. Kyle Dyer came up big at the end of the period with a nice glove save as the period ended 0-0. Springfield kept the pressure up to start the second but was once again stymied by goaltender Dyer as he foiled a 2 on 1 with a nice glove save. Enfield had enough and found it's offensive spark as the team of Knightly and Cardaropoli broke free for a 2 on 1. Unfortunately the Cap's goalie was also up to the task stopping a nice shot by Jordan. Kurt LaPointe and Kyle Dyer again came up with big defensive stops to close the second with the score tied 0-0. Enfield had the power play early in the third as Springfield was called for a major penalty with a hit from behind but could not find the net. Springfield then struck at even strength with a nice unassisted goal giving them a 1-0 lead. The Eagles sharpened their talons and came back to tie the score at 1 as Josh Fasano poked home a loose puck off a shot by Reilly Higgins. The second assist went to Brett Sullivan. Neither team could muster any offense for the remainder of the period as the game ended in a 1-1 tie. The defensive unit of LaPointe, Dukette, Ashline, and Campion deserve a lot of credit for keeping this one a low scoring affair.

## **Wallingford Hawks Ground Eagles 4 – 1**

By Lisa Reda

The second game of the weekend found the Eagles in the Wallingford Hawks' nest on Sunday morning. Unfortunately, the previous late night Wolfpack-Falcon game caught up with the team as they dropped a physical game 4-1. The game was played much closer than the score would indicate. Enfield had an uphill battle from the start by being called for an unfair share of the penalties, courtesy of the Wallingford ref's. Enfield struck first with nice puck movement and passing by the Cardaropoli-Knightly-Kraucunas line as Jordan fired one home with assists from Danny & David. Kyle Dyer made a nice stacked pad sliding save on a Wallingford rush. Thomas Campion and Justin Ashline played rough and tough keeping the crease and slot clear. Josh Fasano was called for tripping with 1:00 left in the first but Matt Reda and Tony Colca killed the penalty with textbook wing play. Brett Sullivan was then called for tripping with 9:40 left in the second but Kurt LaPointe and Eddie Dukette continuously cleared the puck to end the threat. The Hawks tied the game at 1 shortly after as a bouncing puck found its way through Kyle's pads. Eddie Dukette was fired up as he took and gave some big hits. A Josh Fasano roughing call once again gave the Hawks a powerplay. The Eagles killed all but 0:20 of it as a slap shot deflected in off the inside of Kyles pads giving Wallingford a 2-1 lead. Enfield had a great opportunity to even things up as a result of roughing and crosschecking calls within 0:10 seconds of each other but could not capitalize on the 5 on 3. The ref's even things up by calling Kurt LaPointe and Eddie Dukette for crosschecking and roughing penalties. Wallingford made the most of their opportunity increasing their lead by 2 to close the second. Justin Ashline, Tony Colca and Bryan Solnck then killed the remaining penalty with nice defensive play. A Hawk holding call with 6:43 left gave the Eagles another opportunity but the offense could not find its rhythm and failed to score. The final chance to even things up came on an interference penalty with 0:25 remaining. Pulling the goalie, Enfield had a 6-4 advantage but a rink long "shot" found the back of the empty net as the game ended 4-1 in favor of Wallingford. Eddie Dukette, Josh Fasano, and Brett Sullivan had good games.

## **Western Junior Colonials Clip Eagles Wings 9 – 3**

By Lisa Reda

The Western Junior Colonial selects came to Enfield on Sunday and handed the Eagles their second loss of the day. Just 2 hours after the 45 minute battle at Wallingford, Enfield had to lace up their skates to take on the Midget sized Colonials. Western took a 1-0 lead halfway through the first despite tough defensive play by Eddie Dukette. Kyle Dyer kept the game close with many nice saves. Western then struck for 2 quick goals at the end of the first for a 3-0 lead. Less than 2 minutes into the second, the Colonials buried the puck twice more for a 5-0 lead. Enfield then turned up the heat as Jordan Knightly stole the puck on a Western breakout and fired an upper-shelf shot giving Enfield its first goal of the game. Kyle Dyer then came up huge with a save on a 3-0 breakaway and then continued his excellent goaltending with save after save keeping Enfield in the game. Each team traded penalties late in the period but could not come with any offense. Enfield came out fired up for the third. Thomas Campion continuously broke up Western rushes while Matt Reda won face-off after face-off and kept the puck in the Colonial zone. The pressure eventually got to Western as they were called for a hit from behind. Enfield then narrowed the gap as Reilly Higgin's put back a rebound off a Justin Ashline blast from the blue line. The second assist going to Bryan Solnick. Western scored to increase their lead but Jordan Knightly once again buried the puck off a Dan Kraucunas pass - Kurt LaPointe getting the assist as Enfield narrowed the gap to 3. Western closed out the scoring with 3 goals. Matt Reda and David Cardaropoli had good offensive games while Dan Kraucunas and Thomas Campion played both ways – contributing on offense and defense.

## Pee Wee B Eagles Claw Yale 5-1

By Lisa Reda

The Pee Wee B's went 2-0 for the weekend by destroying Yale 5-1 in a game that was not as close as the lopsided score would indicate. From the start, the Eagles came out flying high with aggressive forechecking and a stifling defense. Only excellent goaltending by the Yale goalie kept the score respectable. The Eagles peppered Yale in the first period with shot after shot but none found the net. Jordan Knightly broke the drought late in the first with a nice upper shelf shot off a David Cardaropoli pass. Despite being badly outplayed, Yale caught a lucky bounce for a breakaway that evened the score at 1. Enfield answered shortly afterwards as Jordan struck again, this time off a pass from Dan Kraucunas. The game broke open late in the 2<sup>nd</sup> as David Cardaropoli finally was able to find net. Jordan Knightly getting the assist. Less than 1 minute later, Jordan struck again for the hat trick with line mates Kraucunas and Cardo getting the assists. The scoring was closed out by Brett Sullivan in the third as slid the puck between the goalies pads for his first goal. Assists went to the defensive team of Eddie Dukette and Kurt Lapointe. Overall it was a very strong game for all of the B players who now look forward to taking on Wallingford.

## Pee Wee B's Drop 2

By Lisa Reda

## Enfield 2 W. Hartford 4

This game was characterized by hard play and poor officiating. The early action was mostly in the West Hartford zone. Tony Colca and Jordan Knightly broke free on a 2 on 1 but were robbed of a goal on a nice save by the West Hartford goalie. Enfield found itself down 1-0 a few moments later as the puck bounced off Kyle Dyers pads and into the net. Kyle kept the game close a few moments later by shutting down a West Hartford 2 on 1. The Eagles knotted the game at 1 on a nice backhand goal by Reilly Higgins with the assist going to Dan Kraucunas. Enfield missed on another scoring opportunity early in the second as a centering pass from Josh Fasano was just out of reach from a streaking Tony Colca. A cross-checking penalty on Kurt LaPointe gave West Hartford the power play but it was killed

nicely by Jordan, Tony, Eddie Dukette and Thomas Campion. After falling behind by 1, David Cardaropoli fired one from the left circle but was turned away on another nice save. Justin Ashline evened things up at 2 as a deflected shot found its way into the corner of the net. The tie did not last long as the West Hartford center became free and upper shelved one to lose out the second. Early in the third, the oppositions goalie came up big again by stopping Jordan Knightly on a 3 on 1. Enfield continued to put pressure on the puck but could not find net. A Kurt LaPointe interference penalty gave West Hartford a chance to increase the lead but could not break through the tough Eagle defense. Kyle Dyer came up big shortly after as he made a nice glove save on a breakaway. The lead was increase to 4-2 as West Hartford found a soft spot in the center of the Eagle defense. Enfield had one last opportunity on a power play with under 1 minute left but could not capitalize. Justin Ashline and Thomas Campion turned in strong defensive performances.

## **Enfield 2 Greater New Haven 5**

By Lisa Reda

Enfield traveled to Northford for a late Sunday night game vs. Greater New Haven. The Eagles went 0 for the day dropping this one 5-2 in a game that was much closer than the score. After GHN took an early lead, the action was back and forth with strong transition play by both teams. GNH had a powerplay opportunity on a Justin Ashline tripping call but Kyle Dyer came up big in goal with a few nice saves. The favor was returned shortly after on a GNH slash but Enfield could not capitalize. Kyle Dyer, playing bigger than his physical stature, stopped a breakaway and a 3 on 1 as the game moved into the second. Thomas Campion had a number of defensive stops while Eddie Dukette led rushes into the offensive zone. Josh Fasano was turned loose on a breakaway but could not get the handle on the puck for a solid shot. After trading penalties, GNH upped its lead by 2 as a result of nice passing and puck movement. Enfield turned up the pressure as Tony Colca had a nice shot from the left circle but could not find net. GNH eventually broke down under the pressure and was called for tripping. Pete Aikins made the most of the man advantage and slipped a shot through the goalies pads to make the score 1-2. GNH struck again early in the third as the puck bounced of Kyle Dyer's glove and barely trickled across the goal line. Within a minute, Enfield closed the gap as David Cardaropoli lifted one in the top corner. Assists went to Dan Kraucunas and Pete Aikins. GNH added 2 insurance goals late in the period to ice the win.

## **Squirt A's win at West Hartford**

By Joanne Kapinos

With another new look our coaches continue to work on various combinations. Our Eagles traveled to a very nice Veterans Arena in West Hartford. In an even first period our defensemen Chris D'Onofrio and CJ Shefrin played well while Tyler Reopel and Ryan Guhne fore checked aggressively. West Hartford took advantage of Enfield's only lapse of the game and scored an unassisted goal. Period one ended with a 1-0 W. Hartford. Our Eagles came out passing in period 2 and Kyle Hughes crashed the net to clean up a Ben Kapinos shot to tie the game at one all. With pretty much even play, Katie Sullivan and Justin Locke skated well in the second.

Enfield took the lead as Wade Schools knocked in a rebound from a Ben Kapinos shot who assisted his second goal of the game, period 2 winded down with an Enfield 2-1 lead. Period 3 played with back and forth hockey, goalie Andy Silva stated that "the goal was closed" and Enfield missed plenty of opportunities to build their lead. Seconds ran off the clock with mistake free play as our Eagles won 2-1.

## South Windsor Edge Squirt A's

By Joanne Kapinos

Our Eagles hosted S. Windsor at the Twin Rinks in a Sunday morning match. The game started off with Enfield controlling play in their zone playing with aggressive fore-checking and hustle. Alex Nacin and Justin Locke led solid play, the first period played to a scoreless tie.

Period 2 opened up with back and forth play defensively anchored by Ethan Cournoyer and Justin Bird as both teams had their chances to score, period 2 ended scoreless. In a game marred by poor officiating everyone just hoped the game would not be settled by the striped shirts but, good hockey. With 2 minutes remaining in a scoreless tie an obviously **ice-ing** call not made, gave S. Windsor the puck in Enfields' zone where they found a rebound and scored the games only goal resulting in a S. Windsor win.

## Bantam A's Streaking

By Joanne Kapinos

Enfield has surely developed a pattern of late, score early and often and do not give the opponent any momentum at all. That's how our Eagles welcomed West Hartford to the Twin Rinks. Tyler Garrity off a shot from Matt Pedimonti found the net 21 seconds into the game to give Enfield a 1-0 lead. Now, being short-handed Nick Kapinos found open ice and scored an unassisted goal one minute later to give Enfield a 2-0 lead, and a chance for this Bantam team to set an all time short-handed goal record in the state. Matt Pedimonti added an unassisted goal minutes later to give Enfield a 3-0 lead. As period one ended W. Hartford scored to cut the lead to 3-1.

Period 2 opened up much like the first as Tyler Garrity scored 2 goals for his "**Hat Trick**", both were assisted by Matt Pedimonti. Mark Zabicki scored Enfield's sixth goal with a scorching slap shot from the point, the period featured solid fore-checking from Jeff Harris, Ben Broadhurst and Jimmy Thompson to keep W. Hartford at bay. Nick Kapinos scored another unassisted goal matching a late W. Hartford goal closing out the second with a 7-2 Enfield lead. Period 3 started with continued domination by our Eagles while Mike Furey scored our last goal off a nice feed from Matt Pedimonti. The only thing left in period 3 was watching the clock run, a late W. Hartford goal and solid defensive play from Tim Giguere, Scott Duguay and Sam Leonardo gave Enfield their eighth consecutive CHC game of the year. Final score Enfield 8, W. Hartford 3.

## Hockey Joke:

Submitted by Mitch Kraucunas

St. Peter and Satan were having an argument one day about Hockey. Satan proposed a game that would be played on neutral grounds between a select team from the Heavenly Host and the devil's own hand-picked boys.

"Very well," said the gatekeeper of Heaven.

"But I hope that you realize that we've got all the good players and the best coaches."

"I know, and that's all right." Satan answered unperturbed.

"We've got all the Referees !!!!!"

## Enfield Tier I Midget Eagles Advance to N.E. Regional Semis

By Steve Palmer

Our Midget Tier I Eagles made a tremendous run for EHA this season. After our brief tryout and quick evaluation, our coaches (Keith Emanuelson, Jesse Peters and I) assembled what we thought would be the best TEAM Enfield could offer. These kids were required to play a twenty game schedule in a 2 month period. This was not an easy task, by any stretch of the imagination.

Our squad had to finish #1 or #2 in the state to qualify for the N.E. Regional Tournament. While being new to all of us, everyone from top to bottom had to adapt and learn how to work together, immediately. Don't forget, our team consisted of high school players/rivals from Suffield, Enfield, Fermi and Tri-Town.

After completing our regular season at 16-3-1 overall and 5-2-1 in the CT Tier I division, our kids were fortunate to advance. Our midgets outscored our opponents by a 144-56 margin. Going into the season it was apparent this team couldn't afford to lose more than two Tier I games to qualify for the Regional and possibly the National Tournaments. Due to their great perseverance and skill, our kids battled hard against CT's best and withstood their challenges with grace. Considering our team played a good portion of their games with a depleted lineup, I'd have to say we fared pretty well.

Entering the N.E. Regional Tournament, our kids were a bit nervous and car cramped. Our first tilt on Friday (November 10<sup>th</sup>) @ 12 noon against Maine's #1 team felt more like a wake-up call rather than a serious game in the great northern confines of Manchester, NH.

Our kids came out flat, nervous and with tired legs. Nothing like making your coaches a tad nervous. Maine jumped out to a 2-0 lead heading into the 2<sup>nd</sup>. Our Eagles managed to close the gap midway in the second on a goal by Joe Cotnoir assisted by Jeff Chillson. Four minutes later, Maine capitalized again to take a commanding 3-1 lead heading into the locker-room for our final intermission. As our team entered the locker-room, our kid's tempers were flaring at each other. Coach Emanuelson quickly relinquished the hostility being vented amongst our players. The team began to mellow and realize that this game wasn't over. The kids finally realized they needed to come together for the final 17 minute third if we going to have any chance of winning or saving face.

Our kids took the ice in the third with a much improved attitude and confidence level. These Eagles finally started crashing Maine's net and began dominating the neutral zone with fierce body checks. Our kids began to intimidate Maine with their sudden quickness, adrenalin and body presence. It's amazing what a little fear will do to a team...

From this point on, the game opened up for our kids. Their second winds kicked in, as well as their concentration. We scored the last two goals to tie the game at 3 apiece. Eddie Walsh closed it to 3-2 early in third with help from Steven Clavette and Frank Kovalcek. With only 3:46 remaining, Cotnoir tied it with much help from his dear line mates, TJ Fuery and Chillson. The excitement was at its peak on our bench following this goal. Both teams played to a scoreless 10 minute overtime period to leave the games outcome at an even 3-3 tie.

Following our team's emotional comeback, everyone was able to relax, reflect and enjoy the rest of the day while the remaining qualifiers had to battle each other. Our kids had the opportunity to enjoy the flavor of Manchester's best cuisine and scenic views. Believe me, it was a very cultural experience for everyone involved.

Entering our second tilt against New Hampshire II at their home rink and at 7:15 am, our kids were confident but not the least bit cocky. We knew we had to win of course, but we also knew we had to do it in great fashion to avoid a complicated tie-breaker situation heading into our third game. No one likes tie-breakers...

Our Enfield Midget Eagles went on to play their best game of the season. This NH squad was no slouch, they lost by only 2 the night before against a strong RI team and eventually would lose to Maine I that night by 1 goal. Our kids beat them in convincing fashion by the score of 10-3. Oh wow! To be honest, this game came down to some clutch goaltending early on by Chad Embrey and the most confidently executed team offense our kids could dish out.

Enfield's goals were scored by Jeff Chillson (3), John Madson (2), Kevin Hynes, Steven Clavette, TJ Fuery, Ross Pieper and Brandon Pizzoferrato. Assists were credited to Chillson (3), Mike Little (2), Ed Walsh, Fuery, Pieper and Frank Kavalcek. These Eagles were truly unbeatable once they got their engines running. This game was a treat to watch and even better to coach. I'm sure both Keith and Jesse would concur.

(Continued on page 16)

(Continued from page 15)

Our third face-off was against a quick and talented Warwick, RI squad. RI fought our Eagles to a great 7-5 victory. The entire game was played back and forth. The pace was quick and fierce. The hitting was heavy. It was a great all-around game. Mike Little finally found the back of the net (and received the game puck), Kevin Hynes finally blasted a top shelf shot, Joe Cotnoir missed another hat trick bid with only two goals and Fuery used his body and quickness to score once again. Our whole team played hard and with a break or two, could have easily won. To be honest, I personally didn't mind losing. We already qualified for the semis and a loss would give our kids and coaches and extra 1-1/2 hours of sleep the next morning. The down side was of course the opponent we had to play, the MF's.

After a great night together, our team woke up ready and willing to beat Mid-Fairfield and advance to the Regional Finals (as well as receive an automatic bid to either Tier I or II Nationals). Psychologically, this was a huge challenge for our kids, haven't lost to MF twice during the season by the score 8-0. Like I said, confidence is always tough to beat.

MF took a 2-1 lead heading into the first intermission. Joe Cotnoir scored for Enfield off assists from Jeff Chillson and TJ Fuery. Late in the second, MF scored to open a 3-1 lead. Our kids scramble to regroup. Before they did, the score climbed to 5-1. Oh boy, MF scored three unanswered goals in less than three minutes moments before the end of the second. Our kids got as close as 5-2 and 7-3, on goals from Cotnoir and Walsh, before they realized the inevitable. What can you do? You can't win them all! Right?

I'm sure our team's Head Coach Keith Emanuelson and Coach Jesse Peters will agree with me that this midget experience was well worth our efforts. To see a bunch of kids who grew up playing youth hockey together, only to be separated by high schools, and to be reunited together for the last time... Well, it was special, to say the least.

Congratulations to the entire team : Kyle Anderson, Chris Fusik, Brandon Pizzaferato and Ed Walsh of Suffield, Brian Boucher, Jeff Chillson, Joe Cotnoir, T.J. Fuery, Mike Little, John Madson, Ross Pieper and Matt Murkowicz of Fermi, Steven Clavette, Chad Embrey, Shawn Grady and Kevin Hynes of Enfield, Eric Emanuelson and Frank Kovalcek of Tri-Town.
