SCHOLARSHIPS

The Enfield Hockey Association is proud to announce that this year we were able to give two graduating seniors scholarships. The scholarship money came from The Marielle Kovalcek Fund. This fund was started about 7 years ago in memory of a mother whose three sons skated for EHA. The fund was started to help skaters who might have needed financial help due to loss of a job or an illness to a sibling which would make it sometimes impossible for a skater to continue to play hockey due to money. This is the first year that it was able to give scholarships, due in part to the money that has been raised at the Marielle Kovalcek Fundraising Dance. I would like to thank all the travel teams that participated in the baskets that were donated for the silent auction, together with the many people who attended the dance. We are looking forward to having another dance this year in hopes to continue to give out scholarships. We will keep you posted as to when and where the dance will be held.

This years seniors who received th scholarship are:

**David Bord; and
Matthew Strich**

Spring Tournament A Success

Enfield's annual Spring Tournament was a huge success this past March. B and C level teams from all over New England, New York and New Jersey came to the Twin Rinks to play some exciting hockey. The games were very competitive and close, with some semi and final games going down to shoot outs. EHA hosted 50 teams over the 3 weekends in March. The profit from the hockey tournaments Enfield holds helps to support the free clinics EHA provides during the year for all of its skaters. This year Enfield will be bringing back its Thanksgiving Day "A" tournament in November as well as its "B" and "C" Spring Tournament. The tournament committee needs help in soliciting adds for its tournament book. If you would like to help please e-mail Mary Sullivan spsully@yahoo.com .

in ICE CHIPS !**

Ice chips is a periodic newsletter highlighting the action and excitement of EHA hockey games. Volunteers are needed to write a quick synopsis highlighting the key plays of the games. The Ice chips newsletter is for both in-house and travel teams at all age levels and can include digital pictures. Authors of Ice Chip articles can submit time towards their volunteer vouchers. The children really enjoy seeing their names in print.
