### Mite A

Submitted by: **Andy Votta**

Date: 9/30/06 Enfield (0) vs. Hamden (1)

**Gene Bouthiette** did an outstanding job starting at goalie for the Mite A team, only allowing one goal to visiting Hamden. Even out shooting Hamden 3-1, the home team couldn't put the puck in the back of the net, and lost their season opener 1-0. The defense of **Thomas Vose, Jason Miller, Griffin O'Neil** and **Corey Walsh** played well to help keep Enfield close.

### Mite B

Submitted by **Tim Bourdeau**

Date 9/24/06 Enfield (3) vs. Central (2)

The Enfield Eagles Mite B team enjoyed their first game of the season on Sunday which turned out to be a great match-up in Newington with the Central CT Capitals. The first period provided a lot of action as the teams battled to gain the upper hand. The Eagles entered the second period behind 1-0 after the Capitals scored late in the first period to take the lead. **Zach C** put the Eagles back on track as his shot found the back of the net with help from **Austin R**. A defensive rush by **Michael K** ended with the puck in the Caps net for the second time with 1 minute left in the period. The Eagles were ahead 2-1 going into the third period thanks to the efforts of defensive partners **Craig M, Stephanie M, Jared C,** and **Jacob B** along with solid goaltending by **Sean B**. The third period brought some big excitement as both teams lit up the scoreboard. The Caps scored to tie the game with 8 minutes left. The Eagles immediately went on the offensive with an attack led by forwards **Daigen D, Nicholas M, Drew M,** and **Connor R**. In a true display

### Date: 10/7/06 Enfield (3) vs. ECHO (1)

The Enfield Eagles Mite B team played their first home game on 10/7/06. The team was missing 3 players for this game but the rest of them rose to the occasion. The team looked like they've been playing together for years. The passing and positional play was phenomenal. **Stephanie M** put the Eagles on the board first with a first period assist from **Jacob B**. ECHO scored in the second period to tie the game at 1. **Michael K** scored with an assist from **Brendan L** and **Stephanie M** to put the Eagles back in the lead for the end of the second period. The third period was nearly scoreless. The play was kept in the Eagles' offensive end thanks to the blue line heroics of defensemen **Matt S**, **Jared C**, **Craig M**, and **Brendan L**. With less than 30 seconds left in the game, **Michael K** broke away from the pack with a pass from **Nicholas M** to score his second goal of the game. **Sean B** played an outstanding game in net. He was strong with his stick and quick to cover the puck, shutting down multiple scoring opportunities.

### Date: 10/15/06 Enfield (4) vs. South Windsor (0)

The Enfield Eagles Mite B team burst onto the ice with music blaring over the cheers of their hometown fans. The Eagles put the pressure on the visiting South Windsor team early. They quickly moved the puck into their offensive zone where they intended to keep it for the majority of the game. **Michael K** was first to score with an assist from **Nicholas M**. Entering the second period the Eagles were ahead 1-0 but were relentless in their attack. They posted 2 more goals in the second period. First **Daigen D** found the back of the net with help from **Jacob B**. 2 minutes later, **Brenda L** sent a hard shot from the blue line that the goalie didn't even see coming. The South Windsor goalie played a great game and made multiple saves. The Eagles were able to add one more in the 3rd period when **Jacob B** pushed his way through the defense for an unassisted goal. Goalie **Sean B** and the *Mite B Eagles earned their first shut out of the season*. Congratulations!

### **Squirt A**

**Date 10/7/06 Enfield (1) vs. ECHO (3)**

The Squirt A played a close game on the road vs. a good ECHO team. Down 2-1 halfway through the third period, a penalty shot was called on Enfield. Goalie **Mike Sweeney** just missed the shot, making it a 3-1 game. The Eagles applied pressure, and just narrowly missed some opportunities at the end. **Mike Sweeney** finished with 16 saves in the loss. The coaches liked the hustle, with the team playing hard throughout.

**Date: 10/8/06 Enfield (4) vs. Middlesex (3)**

Sometimes, a game like this early in the season can begin to define a team. **Coach Pete** and his crew will look to this game as a benchmark for the team going forward. **Matt Boulette** opened the scoring for Enfield in the second period, cutting the Middlesex lead to 3-1. Then the fun began. Trailing in the third period, **Sam Kelly** took the game over, scoring 3 goals to lift the Eagles to a 4-3 win. Out shooting Middlesex 29-17, Enfield applied pressure throughout the game, working together as a team with crisp passes, and good offensive flow. Goalie **Mike Sweeney** again came up big with 14 saves.

**Date: 10/15/06 Enfield (3) vs. Middlesex (3)**

A rematch, this time played down at Wesleyan, Enfield achieved a 3-3 tie against a Middlesex team looking for revenge after Enfield's come from behind victory last week. This was a "close encounters" game, as both teams applied pressure in front of the net, making for many nearly missed opportunities. Enfield goal scorers were **Ryan Gaidos, Ernie Bouthiette, and Matt Boulette. Zach Hallquest**, in his first game this year on D, played solid throughout.

**Date: 10/21/06 Enfield (4) vs. Northwestern (3)**

The Eagles entered their Saturday game against Northwestern wanting to set the early tone. Playing hard throughout, with good passes and steady defense, the Eagles scored a 4-3 victory. Goal scorers for Enfield were **Matt Boulette, Ryan Gaidos, Kyle Malley, and Brenden Sherba**. Great job Eagles!

**Date: 10/7/06 Enfield (2) vs. East Haven (3)**

Our first regular season game was a loss to East Haven. The game started off slow with the team having difficulty getting the puck out of their zone. As the game progressed the team got better. The Eagles scored two goals in the third period with all three lines having good chances in front of the opposing goalie. Aggressive forechecking helped in the comeback. Both goalies played extremely well for the Eagles, making key saves while the team was short two skaters for serving penalties for elbowing and after the whistle. The penalty killers did a great job. Standouts included **Dominic Blad's** physical style of play in front of the opponents net. "**Doc**" **Hager** sacrificed his body for a body check in order to clear the puck out from our zone. With a little rest he was able to get some air back in his lungs. Both coaches were proud on how the team responded to the penalties and battled back.

**Date: 10/15/06 Enfield (6) vs. Watertown (2)**

The Eagles beat Watertown the following week. We still had trouble in the earlier part of the game getting control of the puck in our zone. It was a close game until half way through the second period. From there on it was all Eagles. The puck was being controlled by the defense and the play was mostly down in our opponent end of the ice. The Eagles wore out the Watertown skaters out skating them resulting in four goals in five minutes of play. Standouts included **David Bray** on defense as he made nice passes to the forwards breaking out of our end of the ice.

**Date: 10/7/06 Enfield (1) vs. BayWest (1)**

It was so close that either team could win. With our goalie blocking all of their shots we held them to a 1-1 tie. The defense played hard as well as offense. It was a quick moving game. We had a few break outs but their good goalie was able to hold on. **Luke** scored our only goal and was assisted by **Ryan Sayers**.

**Date: 10/8/06 Enfield (6) vs. FCHA (1)**

What a game!!!! As the boys continue to play awesome hockey they pulled out another win 6-1. The first period was a close one with the first goal from Enfield coming towards the end. When the second period started the boys came out to play and win. They worked hard for their goals. With the great passing to their wingmen and back to their points they controlled the game. **Brandon Carey** did a fantastic job of protecting his net. He had an awesome game and was so focused. In the third period, **Coach Don** changed the lines as we were winning 4-0 bringing up defenders to play offense and offense players to play defense. Well that didn't stop the boys. They came out and scored 2 more goals

**Date: 9/30/06 Enfield (7) vs. WTM (4)**

The Enfield Bantam A took on a tough WTM game in a Saturday afternoon game at the Twin Rinks on Saturday Sept 30. The Eagles dug themselves a big hole going down 3- 0 in the first period. On top of this were the 4 penalties the Eagles took which didn't help their cause. The second period didn't start out much better as WTM scored another goal to build their lead to 4-0. At this point the Eagles woke up and began playing the type of hockey that is expected of them. Enfield newcomer **Matt Baer** got the Eagles on the board first with assists going to **Eric Tenczar** and **Kyle Hughes**. With just under 4 minutes to go in the second period, the Eagles got two more goals. The first one came from **Jon Cieri** with an assist to **Wesley Kauffman**. **Tyler Reopel** followed that up twenty seconds later with a blistering slap shot from the top of the face-off circle. Now they started the third period down by only a goal. The third period was similar to the second. **Alex Nacin** put in the tying goal with **Justin Bird** getting the assist. **Nathanial Allen** then got the go ahead goal. **Matt Baer** got the sixth goal and **Alex Nacin** got the seventh on some nifty passing from **Shawn Kellam** and **Chris D'Onfrio** to give the Eagles a tough 7-4 come from behind victory. **Nate Hollowell** made many saves in net to keep the comeback on track and **Ethan Cournoyer** played his usual strong defensive game to keep things going the Enfield way. This was a complete team comeback, starting in goal, to the defense and the forwards.

**Date: 10/1/06 Enfield (2) vs. Greater Bridgeport B1 (5)**

The first home game of the season started quickly with Greater Bridgeport striking first only 1 min 53 sec into the first period. **Mike Desmond**, assisted by **Max Groszyk** and **Chris Roberts** quickly answered with a deflection into the net 1 min and 14 sec later. The teams went back and forth in what was looking to be a tightly contested match when Bridgeport struck again with 2 min left in the first period. The second period again started quickly with Bridgeport taking advantage of a power play to knock in number three five minutes into the second period. Not being discouraged, Enfield struck again six minutes later with a goal by **Brendan Lemire** assisted by **Mike Desmond** and **Eric Myers**. The goal energized the team and had many advances which were turned

**Date: 10/8/06 Enfield (1) vs. Southeastern B (1)**

The Bantam C team, coming off a disappointing loss to Greater Bridgeport where penalty killing set the tone of the game, was determined not to let it happen again. The competition was fierce in what was looking to be a battle of the goalies. There was non-stop action up and down the ice with every opportunity for Southeastern being snuffed out by a brilliant performance by goalie **Anthony Asselin**. Enfield's offense was being equally ineffective against the strong defense and goaltending of the Southeastern team.

Southeastern put the first goal into the net with less than seven minutes to go in the second period. Not to be outdone, **Brendan Lemire**, assisted by **Eric Myers** put Enfield's lone goal on the board with under three minutes to go in the second period, ending that period in a 1-1 tie. The final period, as with the rest of the game, was marked with awesome goaltending ending the game at a 1-1 tie. Outstanding job guys!
