## Coaches Game Wrap UP

This year's coaches game was a rousing success, and fun was had by all. Team Maroon took on Team White in a spirited game that saw very fast pace and lots of scoring. A close game through the first two periods, Team White took over in the third, eventually winning 8-2. Team Maroon goalie, **Mark Burke**, stood on his head throughout the game, making multiple saves throughout. Team White goalie, **Bob Oski**, also played very well, picking up the win. The coaches of EHA want to thank all those who came out in support, participating in the raffles, sign contests, or just voicing support.

**Did you know that EHA offers FREE clinics to skaters and goalies throughout the season?**

Enfield Hockey provides these free clinics to give all skaters a little extra ice time to work on the fundamentals of the game.

These clinics, which are held at the Enfield Twin Rinks, are free of charge and provide additional hockey instruction to our skaters. With the exception of the goalie clinics, each clinic is targeted towards a specific age group. The goalie clinics are open to goalies in all age groups
