

# The Neely SK8 Challenge

## February 2010

Join the Boston Bruins Foundation and the Cam Neely Foundation for Cancer Care for The Neely SK8 Challenge this January and February at rinks across the state.

Skaters of all ages are welcome to skate in this skate-a-thon and can register to skate on multiple days and times at more than 22 rinks across the state.

Cam Neely, current Boston Bruins, additional Bruins Alumni, Ice Girls and Blades, the Bruins mascot, will be visiting rinks throughout the month, so keep an eye out for who might show up at your SK8.

Prizes will be awarded for the highest individual fundraiser at each rink, as well as for the entire SK8, and include items such as an autographed Neely jersey, tickets to a Bruins game, or even a meet and greet with Cam Neely!

The Boston Bruins Foundation and the Cam Neely Foundation for Cancer Care are working together for this new family-oriented fundraising event. The event will help raise funds for children battling cancer and their families.
