TRAINING - TRAINING - TRAINING

A Message from the President

Hello MBSA fans. It may be getting cold outside, but our off-season training is just heating up. The MBSA offers baseball and softball training for all of our younger players starting in November and running through March. The clinics are run primarily by our travel program coaches (Blaze - baseball, Blast - softball) and will focus on teaching the players pitching, catching, hitting and fielding. These clinics are free for any player registered for the 2013 season. The MBSA has dedicated a significant amount of time, money and effort to improving the players in our community. It is our goal to have every player learn these great games, improve their skills, play hard, and most importantly, have fun. I want every player to create great baseball/softball memories and be proud to wear their MBSA jerseys.

Please get your players registered and check out the MBSA website to take advantage of these great training opportunities. I look forward to seeing all of you out at the clinics.

"The other sports are just sports. Baseball/Softball is a love."

Chris Springer / MBSA President

2013 Spring Season Registration is Available On-line NOW

CLINIC INFORMATION

GOALS OF THE CLINICS

- Enhance the knowledge of the game
- Increase the skill set of each player - regardless of individual level
- Create a desire to play and enjoy baseball and softball
- Better knowledge and skill set of the players to lead to a more enjoyable experience and exciting game to participate in.

CLINIC REQUIREMENTS:

- Must be registered for the 2013 Spring Season with MBSA.
- Boy participants must sign up for every clinic they wish to attend - multiple clinics are encouraged
- Girl pitchers must register for the lessons they wish to attend.
- All clinics will be held indoors, therefore tennis shoes only, glove, and bats if hitting is offered for that particular clinic. Proper baseball/softball attire is preferred.

CLINIC DETAILS:

- Please refer to the MBSA web Site for dates and specifics - www.MBSA.org
- Please contact [Amanda Santay @ secretary@MBSA.org](mailto:Amanda.Santay@MBSA.org) for Girl's Pitching registration
- Please contact [Sean Hussey @ blaze@MBSA.org](mailto:Sean.Hussey@MBSA.org) for the Boy's Clinic registration
- Please contact [John Borgia @ girlsmustang@MBSA.org](mailto:John.Borgia@MBSA.org) for Girl's Clinic Information and questions
