

Director – Boy's Recreation Program

The Boy's Recreation Director will serve as the primary liaison between parents and coaches regarding the clubs policies, procedures and philosophies on youth development at the SYSO boy's recreation level.

- Regularly communicate and engage parents and coaches about the purpose, goals and general “happenings” of the SYSO boy's recreational soccer program, which includes face-to-face interactions, email and telephone conversations.
- Collaborate with the Registrar, Director of Coaching and other constituents, such as the Referee Assignor, to establish and ensure league-wide standards of conduct and expectations are understood and met to promote a positive club experience for all stakeholders: players, coaches and parents.
- In conjunction with the Registrar: maintains, manages and ensures the quality of the players and coaches database.
- Form teams, assigns coaches, builds schedules of the boy's recreational program
- Serves as the first-responder to all inquiries and disputes related to the boy's recreational program.
- Works cooperatively with members of the SYSO Board and volunteers to ensure all are adequately informed of the program activities, concerns and strives for continuous improvement of the overall boy's recreation program.
