

Director - Equipment

- Organize, order, and distribute equipment and equipment kits for all SYSO boys' and girls' recreation, travel, and premier teams. Equipment distributions include; equipment bags, soccer balls, cones, pinnies, ice packs, and first aid kits. Equipment director will attend pre- seasonal (recreation, travel, or premier) coaches meetings to distribute equipment to coaches or managers. During the season, occasionally equipment may need to be ordered and distributed.
- Inspect and assess conditions of goals and nets at Capewell, Nike, and East Village Park. If needed, goals, nets, and field equipment (sand and sand bags, corner flags, benches, goal and net anchors, marking paint) will be ordered, assembled, and placed where needed. Maintenance of goals and nets repairs are required, if cannot be repaired by the director, the director will hire a professional for the repairs.
- Prior to every fall and spring season, equipment director must collaborate with director of coaching to review inventory and discuss possible additional equipment needs.
- Equipment director will collaborate with boys and girls recreation directors to receive team lists for new and returning coaches, and form an inventory of equipment needed.
- Equipment director will attend monthly SYSO board meetings and give equipment reports.
