Every season we see an outpouring of support by the SYSO parents, and are thankful to the many moms and dads who have donated their time and effort to assist us in working the stand over the past seasons.

A successful concession stand is dependent on the efforts of volunteers; and an undertaking of this magnitude cannot be taken on by only a few people. Therefore each season we enlist the support of all SYSO travel families to assist us in making this stand a successful venture. Proceeds of the stand will help SYSO offset CJSA fees for insurance covering all players and coaches, purchase new equipment, maintain fields along with the assistance of the city, pay referees, and assist in payment of travel team expenses all in an effort to keep the cost of playing soccer in Shelton to a minimum.

All travel coaches are asked to enlist one parent to be the concession representative for their team. This person will create a work schedule for their team’s parents for their scheduled weekend and will oversee the running of the stand for that weekend. In addition, this person will ensure that the stand is properly cleaned, closed and locked up at the completion of each day of the scheduled weekend.

Keep in mind that this concession stand requires a minimum of three people working. One person is needed to work the grill and fryer, and at least two other volunteers are needed to take orders and collect money. Due to health department regulations, these jobs must be kept separate. Saturday mornings require at least 4 people working due to the large crowd from in house games.

We thank you in advance for your support. A profitable concession stand will assist us in our efforts to maintain a successful SYSO organization, as well as allow us to look to the future at options to improve our organization and raise the level of soccer play in Shelton.

*Sincerely,*

*SYSO Concession Committee  
Shelton Youth Soccer Organization*

We will continue to ask the travel team parents to take on a majority of the work load as travel players will directly benefit from a profitable stand. Each travel team is assigned one weekend a season to work the stand. Team parents man the stand in shifts. The duration of each shift varies between two and four hours.

Unfortunately, SYSO has had parents who choose not to fulfill their obligation to work in the stand. Therefore, the SYSO board has no other option but to impose the penalty of benching for one full game the travel player of parents who choose not to fulfill their volunteer hours.

**I have read the above information regarding the obligation to fulfill volunteer hours at the concession stand. I realize that if I do not fulfill this obligation my child will be benched from the entire next game in which he or she attends.**
