

## **2012 MBYLL Select Lacrosse Program** *Optional U15 & U13 town-based competitive youth lacrosse program*

### **Objective:**

Establish a complementary MBYLL Select Lacrosse Program enabling MBYLL member towns an additional playing opportunity for their more experienced and committed U15 (7<sup>th</sup> & 8<sup>th</sup> grade) and U13 (5<sup>th</sup> & 6<sup>th</sup> grade) players during the spring season to practice and compete on a unified, town-based select team in regularly scheduled games vs. similar towns/teams/programs in & around eastern and central Massachusetts. The MBYLL Select Lacrosse Program will be a natural extension and fully integrated with the traditional MBYLL Town Program and will be guided by the same mission and goals of the MBYLL as a whole. The MBYLL Select Lacrosse Program will focus on: teaching the game while utilizing the best coaching & instructional tools available, adopting & following the PCA (Positive Coaching Alliance) guidelines, and further developing the teamwork, sportsmanship, fair play and skill level of all players, all teams and all towns in the MBYLL.

The MBYLL Select Lacrosse Program practice & game schedule will not conflict with the MBYLL Town Program weekly practice & Sunday game schedule and is open to ALL interested towns. Again, players choosing to play on a MBYLL Select Lacrosse team **MUST** also play on their town's traditional MBYLL Town team as well.

### **Keys Points:**

Establish this new MBYLL Select Lacrosse Program for these reasons:

- Improve the overall program and positive experience for all involved in the MBYLL;
- Enable more experienced middle school youth players to play together on a unified town team;
- Simplify parent/player travel & carpool logistics w/ local practices/games;
- Improve the competitive level of lacrosse, competition & capabilities in all players, teams & towns;
- In sync with, and complementary to, the mission & goals of the traditional MBYLL Town program;
- A natural extension and logical progression of a growing MBYLL.

and **NOT** for the following reasons....

We are NOT doing this for the sometimes mentioned wrong reasons (i.e. to be exclusionary, Select to a fault, Elite Team fever, A-B-C rankings, or the better-than-you mentality).

### **Background:**

Each year as lacrosse continues to grow in Massachusetts, we see a greater variance on the field between the skill level of our youth players and their game experience overall. Each year more experienced MBYLL youth players have looked outside the MBYLL and the traditional MBYLL Sunday schedule—and in some cases, outside of their town—to fulfill their desire for a more competitive or more advanced level of lacrosse. Unfortunately many of these non-town based club programs, although well intended, miss the mark in a number of areas for players, coaches & parents alike due to many factors ranging from field availability, scheduling issues, travel distances to games, variations in coaching quality and discrepancies in the team selection process.

There are number of MBYLL towns that have participated in complementary and regionally-based Tournament or Select league programs within their towns playing against similar town-based Select teams from other towns and always at times that do not conflict with the traditional MBYLL Town weekday practice or Sunday game schedule. The MBYLL's objective is to unify and integrate these complementary Leagues in to one MBYLL Select Lacrosse Program.

### **Teams: (EXAMPLE ONLY—each town can decide on the selection process for their teams)**

On each MBYLL Select Lacrosse Team:

- *Players have chosen lacrosse as their primary spring sport.*
- *Players must also participate on their traditional MBYLL Town Team (practices & Sunday games).*
- *Players choose their MBYLL Select Team & MBYLL Town Team as their only spring lax teams.*

U15 Team. Boys currently in 7<sup>th</sup> & 8<sup>th</sup> grades & who are under 15 years of age on January 1<sup>st</sup>, 2012.  
*Players have 2+ years of competitive lacrosse experience & strong desire to play more ☺*

U13 Team. Boys currently in 5<sup>th</sup> & 6<sup>th</sup> grades & who are under 13 years of age on January 1<sup>st</sup>, 2012.  
*Players have 1+ year of competitive lacrosse experience & strong desire to play more ☺*

### **MBYLL Select Lacrosse Program, League Structure & Spring Season Details**

As a complementary component of the MBYLL, the MBYLL Select Lacrosse Program is a competitive league that stresses sportsmanship and fair play where **every** game is played with our ‘Spirit of the Game’ philosophy. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules and the basic joy of lacrosse. The MBYLL Select Lacrosse program is an extension of the MBYLL and its mission to teach, grow and honor the great game of lacrosse throughout the Commonwealth of Massachusetts.

#### **The MBYLL Select Lacrosse Season overview:**

- 7 regular season games
- 1 tournament game (“win and stay in” tournament)
- 1 All-Star game per age group
- Each game will have two EMLOA Referee Officials

- **MBYLL Select Committee Region representatives we will work together to finalize & communicate any additional program details and, going forward, will consider & adapt this new program where needed.**

#### **MBYLL Select Lacrosse Game Schedule & Divisions I, II, III:**

- Games will be played primarily on Friday nights, or Saturdays or Monday nights if a town cannot get a field for Friday night. No games on Sunday, so players can always participate in their MBYLL Town game.
- Rainouts can be re-scheduled, as long as both teams agree on an upcoming Saturday or Monday night.
- Game scheduling will be done regionally—same as MBYLL Sunday game scheduling process—and will be based on the town programs input as well as a town programs prior season skill level if possible.
- Towns will self-select-in & decide before the season starts to enter their MBYLL Select team(s) in either Division I (Advanced), Division II (Experienced) or Division III (New). If the total # of teams registered in a Division are too low, MBYLL Select Committee reps may need to consolidate the # of Divisions.
- MBYLL Select Lacrosse teams in Division I may need to travel outside their traditional MBYLL Region’s geography in order to facilitate a competitive game schedule throughout the entire spring season.
- MBYLL Select final game schedule may be re-adjusted after the 3<sup>rd</sup> game of the season to better balance the team competition in each Division.
