About

US Lacrosse offers online exams based on rules for NFHS Boys and Girls Rules and US Lacrosse Boys and Girls Youth Rules. US Lacrosse member officials may take any or all of these exams.

In order to be certified as an official annually with US Lacrosse, all officials must pass the NFHS Boys and/or Girls Rules Exam with an 85%.

- 85% will be the passing score for every official at every level.
- Everyone gets two chances to get each question correct.
- If you fail the exam, you get endless options to retake the exam.

All officials are reminded it is best to take the exam on paper, and then log into the exam to enter their answers. You can access PDF versions of the exam once you access the exam you need to take using the directions below.
