Hello!

Welcome to all of the new LYFS members. This is the first edition of the 2010 EndZone -- the official newsletter of LYFS. Each week the EndZone will deliver important information that will help you and your child have a fun and successful season.

The weekly EndZone will provide a 1-2 page document such as this one with links to full articles on the web site. This will help us deliver the EndZone to you in a more consistent and timely fashion.

Because there are a number of different web browsers and e-mail clients out there, I cannot possibly test all of them. If you are having difficulty reading this message, or cannot following the hyperlinks to the articles please let me know and I will do my best to provide alternate formats as time allows.

Thank you and have a great season!
