

Hello!

Cheerleading and football will be here before you know it. This is the first edition of the 2010 EndZone -- the official newsletter of LYFS. The EndZone will deliver important information that will help you and your child have a fun and successful season.

You will see a 1-2 page e-mail such as this one with links to full articles on the web site. This will help us deliver the EndZone to you in a more consistent and timely fashion. Click on the titles or the "Read More" hyperlinks to read and view the full articles.

Because there are a number of different web browsers and e-mail clients out there, I cannot possibly test all of them. If you are having difficulty reading this message, or cannot following the hyperlinks to the articles please let me know and I will do my best to provide alternate formats as time allows.

Thank you and have a great season!
