## EndZone October 8, 2010

Hello!

Well it looks like the rain has finally stopped and the weekend looks fantastic for football and cheerleading. It is hard to believe the regular season for the AYF teams is almost over. The JV and Varsity are just getting to the midpoint of their season and look to continue their winning ways.

Just because the season is winding down does not mean we have stop working. In fact, we need your help again. See the article [LYFS needs your help again -- 2010 Fall Classic](#). The Fall Classic is our single biggest fundraiser of the entire year! So please help us if you can buy giving your time by baking or cooking something for us to sell or helping to staff this event.

Thank you in advance and have a great week!

By this time in the season, with only two games remaining, the U3s (1st, 2nd and 3rd graders) instructional level know a dozen or more offensive plays. The very first play they learn is the "wedge".

The Wildcat program uses the same offensive set as the Londonderry Lancers. Lancer Head Coach Jon Rich in the off season worked with the Wildcat coaches to implement the single wing offense. The single wing formation is a versatile offensive alignment where four backs are situated in various locations behind the center. The wedge is designed to destroy and demoralize opposing defenses. The fullback wedge play utilizes nine blockers to jam the middle of the field and create running space for the fullback. This one is almost guaranteed to pick up positive yardage. ([Read More](#))

### [Cheer Report – "Quotes From the Sidelines" – October 7, 2010](#)

Another beautiful day for football! It was nice to have all teams play at home! All the cheerleaders performed great halftime routines for the fans! Awesome job girls! This week we will hear "quotes" directly from our cheerleaders! They are going to share with us what they like best about cheerleading! ([Read More](#))

### [Cheer Report – "Quotes From the Sidelines" - September 30, 2010](#)

Sunday sure felt like football weather with the chill in the air and threat of rain. The Mitey-Mites were in Nashua, the Grade 6 cheerleaders were in Bedford, and the Grade 5 football team had a bye so our Div 10 cheerleaders had the day off. The JV and Varsity cheerleaders cheered for their teams at the first home game of the season under the lights. It was quite chilly with a few drizzles. All did a great job cheering on their respective teams. ([Read More](#))
