LHS Lancer Youth Football Camp – What a Great Success !!

The 4th Annual Lancer Youth Football Camp for all youth football players (Grades 2 through 8) was held Tuesday (7/31) through Thursday (8/2) with a great deal of success.

LYFS would like to thank Londonderry Lancers Head Coach Jon Rich and his staff for conducting the clinic again this year and for their continued dedication to the Londonderry WildCats. It was also great to see old WildCats and current Lancer varsity players coming back home to work with the kids.

The camp has grown significantly from the first year with 30 participants to this year with over 175 joining in on the fun. The Lancer staff looks forward to seeing the WildCats on some of their game days and invites you to come out and root for the Lancers this fall!

Volunteer Lists – Available Week of August 20th

Part of our success is the fact that we have so many volunteers to help support the kids!! From board members, coaches, team-parents and ultimately you. Every WildCat family has a set of volunteer hours to provide in support of the program. We have lots of choices and opportunities from concession, to chains, to MPR, to cheer competition, to WildCat Wares store, OHD.....

We will be posting the Volunteer Schedule at the fields on the WildCat Wares store the week of AUGUST 20th.

Parking at LMS

Parking at LMS some times can be a challenge especially with LYFS football, cheerleading and all the other activities going on at LHS and LMS. You may utilize available parking behind LMS off the circle, but when full please do not create parking areas. It is critical for emergency services to keep all lanes clear so that large vehicles may pass safely and efficiently without obstruction.

PLEASE – DO NOT PARK ON THE GRASS – We need to keep the outside of the circle and the road behind LMS free and open to emergency vehicles. If you are driving in BEHIND LMS (with the school to your left) you may NOT park anywhere on the right side of the access road or right side of the circle. LFD took a drive through last week and reminded us that they will ask the LPD to ticket and remove any vehicle in a non-designated parking area.

Parking Hints:

Use alternate parking locations. Drop off your athlete at the gate and either use LMS main parking lot out front or side parking at the gym. There is also the option of the LHS dirt parking lot and walk over to the practice fields. If you park at the LMS traffic circle behind LMS then please park head in on the inner circle, this will allow for more cars at the LMS traffic circle.

The right hand side of the traffic circle (Outer curb side) is a **NO Parking Fire Lane!**

- ***Cars illegally parked risk being ticketed and towed by the Londonderry Police Department.***

Football Game Pants - Reminder

Parents check to make sure that your football player(s) have black football game pants. These were provided to you at equipment pick-up. It is important to make sure these fit. Please, have your child try on the pants with the pads installed. If they do not fit – please bring them back to the equipment shed for replacement. Don't wait until game day to find out they don't fit.

This also applies to any football or cheer game day equipment, don't wait until game day to find out if they fit correctly – and make sure you're not missing any WildCat provided gear.
