

Hawks Meeting Minutes 02/18/16

Attendees: Rich, Nick, Mike, Tom, Bob, Keith, Ed, Dan Greg MacGovern

January Minutes Approved.

Snack Stand – paring down the inventory, \$1800 to go in. Overall, snack stand is not as good as last year. Revenue will be down for this year and based upon where we see things headed with reliable time at Choate, it will be the same next year.

Scheduler Update – Ice usage per team is aligning to where we expect them to be. Clinic will be extended to the first week of March. Choate scheduling has eaten into available ice for the organization. H3 contract is up. It was recommended that we move to year-to-year, reallocation of use.

A recommendation was made to move tryouts to the Fall. It would not be for 2016/2017. Also, there was no vote on that recommendation.

CHC Tournament – Hawks need to make sure the score sheets are set, record scores to site and handle the trophy distribution.

Treasurer Update- ~62K on account, ~69K in AR, ~0 in AP

Registrar Update- All teams are up to date. 2016-2017 Commitment Letters – we will be reinstating. Code of Conduct to remain

Coaching Update – Coaching Interviews – email went out, some have replied already. March 4th is deadline. Goalie Clinic to be scheduled. Checking Clinic to be scheduled. March Meeting will include plan for tryouts

Fundraising Update – Looking for someone to pick-up Fundraising as Jenn Lavoie will not be continuing.

CHC Update – Shoreline Sharks is looking to be part of the CHC. Mites – a March vote for the 8 game full ice exception. Discussion of doing away with the Tier system, but nothing proposed as of yet. Hawks hosting CHC tournaments will bring in revenue.

Parent Manager Update – NA

Open Discussion

Suggestion made by Mr. Macgovern that Clinic include an introduction. A report card system. Adopt a family idea too.

Recommended to have Northford provide a space for Hawks Awards, etc..

Approved – HockeyShare for all travel team head coaches Mite thru Bantam.
