

AboutAnthony M. Teixeira

Anthony Teixeira was a Trumbull High graduate of 2012, and captain of the Boy's Varsity Soccer team. He was pursuing a degree in Engineering with a concentration in Construction Management at Central Connecticut University at the time of his passing.

Anthony was an individual who loved the game of soccer. He was a kind soul, friend, leader, motivator and some say a legend in his time. He had a charismatic personality and contagious smile; he always put others before himself.

From his early days in AYSO soccer, Anthony had a passion for the sport. He was the player who was there to motivate his teammates and push them to succeed; all while finding time to crack jokes to help his teammates get through the pressure of the game. He was the backbone of the teams he played on and was known to be the player everyone enjoyed being around on and off the field.

His career was marked with numerous awards and accolades, leaving his trophy shelf plenty stocked, along with the hearts of those whom he spent his time alongside the field with. Soccer is a place where lifelong friendships and bonds are made, and what contributed to shaping Anthony to be the unforgettable person he was. Anthony leaves memories on and off the field which will be in our hearts forever. January 24, 2016
