These pages list some of the many people and sponsors who contribute major portions of time and resources to Vienna Little League. A special thanks to Joe Mihm and Burroughs Corporation for their special help. Thanks go also to the dedicated people who work as coaches, team mothers, and committee chairmen to make the League function. This enthusiastic volunteer support allows Vienna Little League to provide competitive major leagues, active participation at all levels and an exciting T-Ball program.

A special thanks goes to our young ball players. It is for them that the program exists. Finally, thank all of you for your continued support. Vienna Little League extends best wishes for a successful 1983 season.
