PLAYER PLACEMENT

1. General

1. The QYBA Board of Directors will determine the number of teams after registration is complete.
2. Head Coaches must be assigned for all Pony League teams before player placement begins.
3. Draft will be scheduled *before Opening Day*...it is mandatory for each Head Coach to be present at the draft.
4. Head Coaches must be *picked* before draft begins.
5. Returning players that played in the pony league the prior year are not locked on the teams they played for the previous year, but go in the Draft Pool

2. Special Coach / Child Privilege

1. Each Head Coach will have their son/daughter assigned to their team.
2. Brothers / Sisters will be kept together on the same team unless a request is made by the parents to separate the siblings

3. The Draft

1. The draft will start promptly at 7:00pm on the date designated by the QYBA Board of Directors.

3. All eligible 8 and 9-year-old players will be drafted using a Blind Draft Format.
4. The goal of the Blind draft is to have balanced, competitive Pony League teams. Having coach's draft teams before knowing which team they will coach, will provide the incentive to make all teams as equal as possible.
5. The final Head Coaching assignments will be determined by a lottery after the last available player is drafted. Each Coach's child or assigned player will be placed on their team at that time.
6. The first few rounds will be for assigning top players evenly among the teams. This will be assigned in a snake format, i.e. 1 and 20, 2 and 19 etc. The Pony Draft Board and the consensus of the Pony coaches will determine the placement.
7. After the first few rounds players will be assigned in snake order to fill the rosters. All picks will need the consensus of the Pony coaches; in a tie the Draft Board will vote.
 - a. Draft order will be determined based on the assessment of the returning player talent.
8. Rounds will continue until all available players are drafted.
9. At the end of the draft, the Pony League Draft board will reassign players based on the draft rankings of the coach's child. This is to correct any disparity of the teams created by the assigning of the coaches sons at the end of the draft.
10. Once the draft is completed, rosters will be distributed to each team; and no movement of players between teams is allowed, unless extreme special conditions exist and approval is received from the QYBA President.

2. Games are 6 innings.
 - a. Official games are not to exceed two hours. Once a new inning is begun within the 2 hr timeframe, that inning MUST be completed. An inning is considered to have started when the last out of the previous inning has been made.
 - b. After 4 full innings are completed, and the game must be stopped because of rain or darkness, it is considered complete and official; AND reverts to the score at the end of the last full inning. The umpire will decide when weather conditions have made the field unsafe and will stop the game.
 - c. If the game must be halted (rain, darkness) before the home team has completed the 4th inning within the 2 hr timeframe, the game is postponed and must be continued, according to the aforementioned rules. Mark the time and continue the game within the guidelines (2 hr timeframe).

6. Coaches are expected to make every attempt at controlling fans from harassing umpires or opposing players.
7. Although QYBA recognizes that winning is important, running up the score is highly discouraged. Every attempt must be made to ensure that an opponent is not embarrassed in a game.

8. Teams may lend players to their opponent. Example, if a team only has seven players, their opponent may lend them a different defensive player every inning in order that they have eight players (two outfielders) and the game can be played.
