

**Oak Grove Athletic Association  
2010 Fall Ball Team Sponsorship**

The Oak Grove Athletic Association would like to thank you for the past support given to Baseball and Softball team sponsorship. Without the contributions from the business community, a quality Baseball and Softball program in Oak Grove could not exist.

Sponsorship fees help in many ways: equipment purchases, field maintenance, insurance premiums, umpiring salaries, etc. If the player's families had to pay these cost directly, then many kids would never get the opportunity to play Baseball or Softball at the Optimist Park. Thank you sincerely for your support.

**Please fill out the sponsorship form below and return with a check payable to the Oak Grove Athletic Association (OGAA).**
