Baseball Academy
Director Newtown High School

- Our baseball camp offers comprehensive baseball instruction of all aspects of the game.
- We pride ourselves in providing players with the opportunity to get the most work in and believe in an "Always Active" approach. We include various types of instruction and learning experiences for your child, always keeping our player to coach ratio at a maximum of 6 players for every instructor.
- Players will receive an intense workout and will learn the fundamentals of hitting, fielding, throwing, and base running. Players will also take part in instructional and live games each day.
- Players will develop a positive mental attitude; learning self confidence, work ethic and discipline.
