

Danville Little League
Team Job - Scorekeeper
(A, AA, AAA, MAJOR'S & JR/SR)

This is a full season job and requires between 2 – 2.5 hours per game

Job Description:

- Attend and score games according to team schedule. (Home Team must provide Scorekeeper to keep Official Score Book for that game. Team score books may be kept in conjunction with the Official Scorebook, however the Official Scorebook must take priority).
- Have the Plate Umpire sign the Official Scorebook.
- Be available after the game to answer questions about game from Publicity Parents.
- Return Official Score Book to appropriate location after game is completed.
- Attend scorekeeping clinic prior to the start of the season. Information TBA.

Helpful Hints:

- Bring 2-3 sharpened pencils with erasers.
- For divisions without electronic scoreboards, bring a large scoreboard to note the score after each inning (chalkboard/whiteboard work well).
- Try to avoid answering constant questions from excited players as to the score of the game. It is very distracting, especially to new score keepers.
- For divisions with electronic scoreboards, ask another adult to help with the field scoreboard. Controls are kept in the field storage bins. They must be returned to the bin after each game, do not leave on bleachers.
