

Danville Little League Team Job – Team Parent

This is a full season job and requires between 2 – 5 hours throughout the season.

Job Description:

- Obtain the team roster from the Manager.
- Create team snack schedule (if you manager wishes to provide snack after each game).
- Plan the team's end of the season party
- Organize the manager and coaches gifts at the end of season (communicate with parents, collect funds, purchase gifts and make ready for presentation at the team's end of the year party).

Helpful Hints:

- A modest \$\$ request from each family would be best (perhaps \$5 - \$10)
- Some teams opt to also purchase team shirts to present at the end of the season. If your team decides, then you would be the point person for this activity, or line up someone to help you with it.
- Communicate with the manager to see if there is a special way he would like to execute any of the items under your supervision.
- Some Ideas for Manager/Coach Gift: Big-5 gift cards, Certificate for a dinner out at a local restaurant.
