

TONKA BABE RUTH

TBR baseball is for players age 13 – 18 by May 1, 2010.

Six (6) divisions are offered to match a player's age and competitive level. All players that register for Tonka Babe Ruth will be assigned to a team and play ball. The chart to the right provides an overview of our 6 divisions.

TBR continues to make improvements to the program by increasing the number of games, at bats and the variety of competition to make your player's experience better. Players are invited to participate in our pre-season clinics and are required to participate in the evaluation process to help form competitive teams. Some divisions require a tryout process. We look forward to seeing you at registration where we can answer all of your questions.

Bring your check book! TBR only accepts checks at registration; and all players are required to leave a second \$100 uniform deposit check.
