

## **Amended Pitching Rules- RYB 60s League, 2018**

Pitchers can pitch in consecutive days, however, pitchers can only throw a maximum of 20 pitches in any one of 2 games pitched on consecutive days.

- *If a pitcher throws 20 pitches or more on any given day, he is not eligible to pitch the next day, even if his 20<sup>th</sup> pitch came on his last batter; if you want him to use him the next day, you must take him out after his 19<sup>th</sup> pitch*
- *If Johnny pitches 19 pitches on Saturday, he can pitch again on Sunday up to his maximum 40 pitches per game; if he throws the 20<sup>th</sup> pitch, even if it his last of the game, he cannot pitch the next day.*

These restrictions above will crossover between 10U and RYB games.
