NSA Player Registration Refund Policy

Refunds will be considered under the following conditions:

- 1) The NSA is unable to place a player on a team;
- 2) When a special circumstance requires the attention of the board.

- The NSA will make its best effort to place all registered players on an age and skill-appropriate team.
- Registration with the NSA is evidence of the intent to play soccer. Registration with the NSA does not guarantee a player a spot on a specific team OR on a team of their choice.
- **After team rosters are finalized, 100% of the registration fee is non-refundable.** Exceptions may be considered by the Board on a case by case basis for special circumstances such as serious injury, illness or a family move.
- **In a case where a refund is approved by the Board, the NSA will retain \$100 of the registration fee** to cover MYSA fees and NSA costs for uniforms and equipment, and in the case of tryouts, for facility and evaluation fees.
- Players and their families, as well as board members, must be aware that a player's withdrawal can have a significant impact on roster size, having the potential to trigger fines from the MYSA due to the inability to field a game team because of a reduced roster.
