

Gridiron Club Meeting Agenda

March 15, 2016

7 P.M.

CSH Weight Room

- 2016 budget was approved.
- The players (excluding incoming freshmen) will be attending the Colorado School of Mines team football camp June 1-4. The cost for the camp is \$225.00. The player will need to fill out a registration form and return it to Coach. Payment will need to be made to the Chatfield Gridiron Club. The Gridiron Club will write on check for payment for all registered players.
- It was decided that the Gridiron organization will participate in a Bandimere fundraising opportunity. Each family will be expected to volunteer for at least one event. Events will be from May-August. Details will be explained during the April 11th volunteer meeting. All funds raised this year will go to the Gridiron Club.
- The Top Golf fundraiser will not take place this year. It will be a team bonding experience for the players at a later date.
- Game day flags and boom box/sound system will be purchased by the Gridiron Club this year to use at games. We will also be working on pre game videos that can be played prior to the start of home games. These videos are going to be worked on during the off season.
- The applications for the Gridiron scholarship are being reviewed by the scholarship committee. The winner(s) will be announced during the May Senior awards night.
- Poker Night at the Mirage April 16th. This is an opportunity for players to raise money to help pay for the Mines football camp. Half of the initial buy in will go to the football player the poker player designates. Incoming freshmen who have poker players play will have that money go into a separate fund for their banquet and food purchases for weekly individual player rewards.
- April 11th All Parent Volunteer Meeting will be at 7 pm in the CSH band room. Coach is asking each family to attend and for each family to find one area they can volunteer during this upcoming season. There will be volunteer signup sheets during the meeting.
