At additional costs, teams have the opportunity to play an indoor league and extra tournaments during the season. All players can attend extra training sessions, GK sessions, and Street Soccer at **no additional cost**.

All new players to TESC this upcoming season will be required to purchase the uniform package this season. The uniforms will be used for the 2017-18 seasons.

These fees are an estimate and [the actual fees](#) will be determined after rosters are finalized for the 2017-2018 playing season.

2017-18 Fees

U8 Fees: \$1175.00

U9 Fees: \$1390.00

U10-U14 Premier and Travel Fees: \$1585.00

U10-U14 Select Fees - \$1680.00 – **These teams have an additional tournament in the Spring Season, which may include State Cup, Illinois Cup, etc.**

Please note, the \$500.00 deposit is due by registration night via the on-line system with the remainder of team fees due on or near July 1, 2017, September 1, 2017, and November 2017 for the upcoming playing season. Following the deposit, the remaining fees will be divided into three payments as per the above schedule. Players will not be able to play in the upcoming season if their fees are not paid. Fees are based on a year-round commitment from both the parents and child.

The Club follows a strict refund policy. The deposit is nonrefundable. The remaining fee payments are non refundable after their due dates. There are a variety of sound reasons for this policy, including refunds having an adverse effect on team rosters and Club finances. The No-Refund policy is strictly enforced even if players change their mind before the beginning of the season. This includes the preseason camp, tournaments or the season. Currently we do not offer multiple child discounts. As a club we generate all of our dollars through the players fees. If we do have parents that are interested in developing a fundraising program to help offset some child discounts please contact TESC President Mike Tooley at President@elmhurstsoccer.com
