Once you are at registration, please proceed to your child's age group and team table where you can drop off the paperwork outlined above.

Ordering Uniforms

All new players to TESC will be required to purchase new uniforms for the 2009-10 Season. Please download the Soccer 2000 required order form when purchasing uniforms. Bring a check made payable to "Soccer 2000" for the full amount of the uniform. Tax is already included on these items. **Players are required to purchase two jerseys (green and white), shorts and socks.** All other gear is optional.

Players and parents are encouraged to go to Soccer 2000 to try on the uniforms before the registration night so they can speed up the process that evening. However, you still need to bring the form and check to registration.

Soccer 2000 is located at 136 Ogden Ave in Downers Grove (shopping center behind Panera Bread). Phone number: 630-241-9500

All players will still have the opportunity to try on samples of the TESC uniform for correct sizes for the upcoming season. Modifications to the uniform form can be made at this time.

The optional spirit wear form can be used to order extra equipment for your child. **This is not mandatory.** Many players in the past have purchased a backpack to carry their equipment for games and tourneys. All players will be receiving a training T-shirt during the pre-season camp in August.

THE UNIFORM ORDER SHEETS SHOULD BE TURNED IN AT YOUR TEAM TABLE ALONG WITH THE CHECK MADE PAYABLE TO SOCCER 2000. ALL UNIFORMS AND SPIRIT WEAR ORDERS WILL BE DISTRIBUTED BEFORE THE SEASON STARTS.

Completion of all paperwork prior to registration night will greatly expedite the process.
