

LETTER OF COMMITMENT

Shoreline Sharks Letter of Commitment

2017-18 Hockey Season

Player: _____

Team: _____

(Print name)

I, _____, the undersigned parent or guardian of the player named above, agree to commit the player named above to the Shoreline Sharks Youth Hockey organization for the 2017-18 hockey season.

We understand and acknowledge that by completing this registration, the player named above is committed to play for the Shoreline Sharks Youth Hockey team listed above and will do their best to participate in team practices and games. Furthermore, we understand that we are obligated to pay a **nonrefundable deposit** (separate from tryout fee) toward the applicable 2017-18 season. This initial deposit reserves your child's spot on the team's roster.

Failure to make this deposit payment will result in the loss of their guaranteed roster spot. After this initial deposit, the balance of the tuition fees will be due based on the payment schedule detailed on the Sharks website.

Full and final payment is required before your child's first participation in a game or practice at the start of the season.

I/We understand and agree there may be other costs and expenses associated with my child's participation on this team, including mandatory USA Hockey registration and any additional tournaments and apparel that are not covered by these tuition payments.

Finally, I/We understand that if the above named player's association with the Shoreline Sharks does terminate, a formal release utilized by USA Hockey affiliates must be provided by the Shoreline Sharks Board of Directors before the player can participate or play for any other USA Hockey registered team or program.
