further agree to abide by the ordinance and administrative policies governing the use of said facility. I also agree to the conditions on the back of this form and will accept the responsibility for their being conformed to by the organization I represent. I further understand that smoking and alcohol are not permitted in/on these facilities. Furthermore, I agree that permits grant user groups permission to use fields, buildings, common areas, spectator areas, parking lots, etc. Although Coventry Parks and Recreation employs best maintenance practices on fields, buildings, etc., there are uncontrollable or unknown circumstances that may occur. Groups using the field/facility agree to provide a thorough inspection of the premises prior to practices, all games or special events to ensure that the field/facility is clear of any debris, hazards or facility conflicts that may result in an unsafe situation that could potentially cause harm or physical injury to players, officials, spectators and bystanders.
