

Meetings and Conferences

NEISMA conducts at least two general meetings each year. The fall meeting is usually held on one day, sometimes in multiple locations to enable more of our members to attend.

Our Spring Conference and Trade Show is usually held over three (3) days and features educational sessions, vendor booths, social events and our annual golf tournament. Special meetings are called as needed.

AFFILIATIONS

While a separate entity, NEISMA maintains its own identity, focus and priorities while supporting and coordinating efforts with other regional and national ice rink organizations.

The NEISMA Board of Directors is not a testing lab for vendors or their products. We are not responsible for vendors representation or errors. We neither endorse or recommend any vendors products.

MEMBERSHIP

NEISMA's fiscal year runs September through August. Membership Dues are \$150 per year.

About NEISMA

NEISMA is a professional service organization dedicated to providing those in the ice skating industry with the most up-to-date information through regular publications and conferences as well as its web site.

Since 1972, NEISMA has been at the forefront of the rink industry by disseminating technical information on pertinent subjects such as indoor air quality, energy conservation, cost-saving measures, preventative maintenance, skating programs and safety, to name just a few. NEISMA provides the professional rink manager with the resources needed to operate a safe, efficient and profitable facility.

NEISMA serves the ice rink industry over a large geographical area. From our original New England base, we now have active members throughout the United States. While our strength is in the northeast section of the country, NEISMA accepts members and provides services to ice rink managers, facility administrators, ice rink vendors, state and federal agencies and other professional organizations wherever they reside.

NEISMA is dedicated to assisting you:

- * Constantly striving to provide the information needed to operate your facility safely, efficiently & effectively.
- * Keeping rink operators up to date on the latest trends and practices in the ice skating industry

NEISMA is an advocate for its members

and actively participates in or monitors: ASTM, SAE, OSHA, ANSI on all aspects of skating rink standards and regulations. NEISMA is one of the leaders in Air Quality regulations.

Rink Sourcing: access to a network of rink managers and vendors, a wealth of information & knowledge.

NEISMA.com: news, ice industry links, post items for sale (exchange), job postings, polling, surveys. etc.

"Rink Rat" Newsletter: Published 4 times per year and provides interesting articles from professionals in the ice rink industry on all aspects of managing a ice skating facility.

"Mini Rat" E Newsletter: Frequent email newsletter with NEISMA news, rink industry issues and other topics of interest.

Conferences: Fall Conference, Spring Conference, a time to network and gain industry insight.

Nuts & Bolt: answers to operation / maintenance questions

Board Members provide a wealth of Ice Skating Industry knowledge.

NEISMA takes pride in:

Promoting & building industry relationships, giving awards recognizing industry leaders and awarding scholarships.
