**Dear Jim, Seaver and Brian:**

Each year the Hanover Hockey Association Board recognizes individual(s) that have made extraordinary contributions to Hanover Hockey – we call this award the Ross Jones award. It is with great pleasure that we wish to inform you that the Hanover Hockey Association Board voted to recognize the three of you with the Ross Jones Award. Award recipients are identified on a plaque located in the Champion Rink lobby – your names will soon be added to the plaque.

Each of you has made very distinct and long lasting contributions to Hanover Hockey. Seaver Peters helped establish the Hanover Hockey Association in 1963 when only a handful of youth hockey teams skated at Davis Rink. Jim McKeown has coached Hanover Hockey teams for more than a decade, sharing his enthusiasm for the game, sportsmanship, and technical skills with hundreds of Hanover Hockey players, parents and coaches. Brian Drew served Hanover Hockey in a number of roles as his three boys migrated through the ranks of youth hockey; he was the long time President of the Hanover Hockey Association, he coached teams from mites to midgets and continues to serve as on-ice try out coordinator each year. The three of you in very diverse ways exemplify the type of team players, people and volunteers we hope our young hockey players will aspire to become.

Thank you helping to build and sustain Hanover Hockey and making enduring contributions to generations of youth hockey players.

Sincerely,

The 2008-2009 Hanover Hockey Association Board
