- Get feedback from parents. Ask a handful of questions. Does it make sense to do?
- Robert thinks if the questions are not specific it could be a dangerous tool since it is anonymous.
- Mr. Wray likes the idea. Good tool since our grievance policy isn't working.
- What are the objectives? 10-15 questions.
- Overall cost close to \$30.
- [Mark and Jeff to work on questions](#). Mr. Wray to talk to doctoral candidates who are familiar with writing surveys.

#### Round Table:

Mr. Wray- Grievance filed for swimming. We should put some things into place so that the issue doesn't happen again. In a nutshell, a child who registered for swimming and showed up for tryouts but didn't get a try out. The coach said that he called for Weddington kids to go one way. The child says she didn't hear. Robert called coach to see if he would give the child a try out, the coach said no. Robert will talk to coach about making sure this doesn't happen again.

Nicole- Talked about the change of how to present topics and when during the meeting.

Jeff- Fundraising/website. [Robert would like to the subcommittee to take a look to see if they can get together and take another look for the spirit wear piece.](#)

Next meeting has been changed. [The new date for the holiday dinner is Dec. 16<sup>th</sup>](#) at Trattoria Antica. It's where we went last year. The address is 3909 Providence Rd S, Waxhaw, NC 28173 (704) 243-0633. Dinner at 7:30pm.
