Round Table

Jeff- He would like to have 2 assistants, one from 6th and 7th grade. He would identify them from the coaches.

We need to do some helmet maintenance: cleaning and parts.

Need to launder uniforms and sanitize shoulder pads.

Ali- Wanted to readdress the volunteer bond. Talked a little about it.
Discussed having scholarship parents give an hour of their time.

Dann- equipment and cap expenses.
Laptop for track and field- voted to approve \$400 max -**APPROVED**.
Talked about using the laptop that we have for the treasurer.

Robert- brought back up a late fee for registration so that there is a penalty. Do we set a fee? Voted to set a non-refundable \$50 fee that must accompany the late paperwork. **APPROVED**.

Laurie- spring coach openings: boy's tennis, JV baseball, girls lacrosse.
Powitz isn't sure he wants to coach. Also, Melissa Manning from softball feels that they need new uniforms. Just got 2 years ago. Looking into the condition of them.

We talked a little about splitting the registration and spirit wear position since we have had no applicants. Laurie is going to contact the gentleman that applied for registration.

Next meeting January 25, 2016.

Meeting adjourned at 6:58pm.

*Need to bring up all open board positions for next year so that they may be posted, discussed and interviewed if necessary.

Respectfully submitted by Nicole D'Amico
