

## **WMS Booster Club Meeting- March 16, 2015**

**Attendance:** Jamisha Breland, Jill Leonard, Mark Mercer, Steve Wray, Jeff Schwartz, Laurie Lewis, Robert Gilmartin, Tricia Donavan, Troy King, Sheri Geraghty, Dann Wall and Nicole D'Amico.

Meeting called to order at 6:01pm.

Jamisha made a motion to approve the minutes from February. **Approved.**

**Coaches Selection:** Mr. Wray

Mr. Wray and Troy will meet with the applicants for 6<sup>th</sup> grade football and dance and drill. The applicants to be interviewed for football are Mike Jones, Chris Cobb and Matt Macia. The applicants for D&D are Kristen Wiggers and Anita Patel.

The coaches are as follows:

Tennis:	H. Sprenkle
Cross Country:	Dann Wall
Wrestling:	Kevin Nolan
Swimming:	Craig Fisher
Volleyball:	Lauren Horrell
8 <sup>th</sup> Grade Football:	Todd Jackson
Girl's soccer:	Chris Martin
7 <sup>th</sup> Grade Cheer:	Angie McDuffie

At the current time, Todd Jackson's son has decided not to play football, if that should change, Mr. Wray will switch Coach Jackson to 7<sup>th</sup> grade and the 7<sup>th</sup> grade coach to 8<sup>th</sup> grade to keep with our non-parent coach policy.

**Playing Time Discussions:** Mark Mercer

At the commissioner's meeting, it has been discussed to change the playtime policy for football. Instead of a one play policy; it would change to a 5-minute play policy.

Mark will try to get Cutbertson's policy.

Troy said soccer has a 5-minute per half policy.

**Pre-Season Training for Profit:** Jamisha Breland

We had a coach give back the money that was previously taken for training. Agreed that if they do camps then it should be for no charge.

Dann- if a coach owns a company or makes a profit off of an off-season training then they should approach Mr. Wray or Troy for approval.

Troy, Steve, Jeff and Dann will form a subcommittee for this topic.

**Board members as Head Coaches (The Dann Wall Rule)**

Should it still be a policy? The current policy states that at no time can a board member hold a position such as a head coach or president of another body.

Motion was made to amend the policy to include all members of the board in positions of head coaches unless there are no other applicants. **Approved.**

**Confidentiality/Conduct:** Jamisha Breland

Email lists are confidential.

Comments made in a meeting are then told to people outside of meeting.

Mr. Wray- there should be some level of confidentiality and respect pertaining to the meetings but as board members we need to have “earmuffs” on when it comes to people complaining.

**Round Table Discussions:**

Tricia: How does the FB page look? As coaches to email updates to put on page.

Jeff: Coaches’ list should be kept private until the decisions have been made.

Troy: putting in sand pit for track and field. Took out monkey bars. Got approved by UCPS.

Mark: 124 helmets went out last week and 10 shoulder pads. 2 month turn around time. Forest Hills picked up the old equipment that we offered them.

He should finalize schedule on Saturday for next season. The host for playoff games will be the primary host for the first 2 playoff games. All championship games will be held at Monroe HS on the turf field. Host school gets ticket sales and provide for all volunteers for tickets, chains, announcing etc. Monroe HS gets concession money.

Sheri: price for mural \$2200. It is more than anticipated. Voted to spend the money on the mural so she can get started. **Approved.**
