Update from Commissioner

I will not be able to attend, but the CMFC league meeting was postponed one week due to spring break (from this last Saturday to next Saturday, 18th), so there are no new updates at this time anyway.

Action items from last booster meeting:

- Sent a copy of Cuthbertson's play rule policy to Nicole
- Sent a framework (list of bullets, really), that Marvin will be using as their new play rules

Also, Sheri is looking into the purchase price for about 10 new lineman sized shoulder pads. I sent her the current brands we use, along with photos, for comparison.

* The must play rule, number of players etc. AGENDA ITEM FOR NEXT MEETING.

Round Table Discussion:

Steve: We should take Jeff suggestions on bylaws and work on them during the summer and approve for fall meeting.

Sub committee: Jeff, Robert, and Steve.

Laurie: Spirit wear is out

Nicole: Can we do a track at the upper field or Wray field? Look into costs around Wray field.

Troy: Fall sports meeting June 4th at 6pm. Meet with coaches at 5:30pm. Want to set number of games per season.

Jeff: date for meeting about bylaws, May 11th at 6pm.

Next meeting May 18th.

Meeting adjourned at 7:20pm.

Respectfully submitted by Nicole D'Amico
