Vendor Replacement- Jamisha

BSN is having trouble filling orders. 1st order placed in July was just filled in September.

Valerie would like to look at other vendors.

Board approves to look at other vendors as well as talk to Chris. Also, ask him to come to next meeting.

Communication from Powitz- Laurie

Wants to recruit for his travel team using our website.

Sheri feels that we should say no; that it gets sticky.

Mr. Leake said it sounds like a profitable venture.. It is across multiple school clusters. Powitz will be able to pitch it without the board being involved.

Final decision- we will not provide him with our email database.

Round Table Discussion:

Nicole- May a coach approach a parent and deal with some “talk” that he has heard?

Yes he can.

What are we doing about the registration position? Ross hasn't come to any meetings nor communicated with anyone. I will email him tonight so we can post for a new person to take over.

Sheri- One of the coaches complained about homecoming. All games started on time.

Jeff- Jerseys are set for replacement next year (2106) Need to assess their condition.

Dann- Tent repairs need to happen. Start to get list from winter and spring coaches for their expenses.

Ali- what happens when people don't show up for their gate shift? Suggested a “work bond” to ensure that they show up. Discussion tabled.

Robert- Ideas for late registration process? Sheri said Marvin charges \$150. Dann thinks a late fee might be a deterrent because if people know that we have an appeals process then they think they have a chance to get in.

Will start late fee in the fall.

FOR NEXT MEETING- PLEASE HAVE SOME IDEAS FOR THIS PROBLEM.

Meeting adjourned at 7:12pm

Respectfully submitted by Nicole D'Amico
