- Season- Spring only (Mar/Apr through mid May)
- Cost: Uniforms- use Cross Country but with different singlet, Meet participation costs.
- HS coach is on board with this.
- Equipment from HS- get more info from HS on logistics.

Fall Registration Recap:

Tamara reported there were 600 registrations and no major issues. Troy agreed to drop the copy of the insurance card. Trying to see if we can automate the concussion form.

Tamara brought up looking into another website platform. We currently use League Athletics. She has looked into a number of them and National Amateur Sports rose to top. They want to sponsor Booster Club for free. Jill said to put it off for another couple of months and get of list of things we want changed to see if League Athletics can provide this for us. Robert recommended a sub-committee within the board.

Fundraising: Jeff talked about Wildcat Club. Had 75 memberships: 64 online and 11 at equipment handouts. He thought we should put names on Booster Club website. Hand out swag at first home game. Lee Anne emailing Jamisha list to do names for banner and tee shirt sizes.

Lacrosse: Interest has surged. Talked about putting together a JV team to play on band field. There are only 1 or 2 other UCPS middle schools with a JV team and 1 private school. There was discussion and the board decided to table for another year or 2.

Fall Sports Photos: Jamisha went over the list and procedures that were emailed to each team. Robert made a motion to approve the new Weddington Booster Club Team Photo policy and procedures. It was approved unanimously.

Equipment Update: Steve Dodson updated the board on equipment. All equipment handed out. Waiting on pants and a few helmets. New headsets have also been ordered. Socks were in and footballs ordered.

Jill has key to open bathroom by the bleachers. Talked about a port a potty.

Lee Anne said 2 more orders for Fall sports spirit wear.

Meeting adjourned at 7:03 pm.

The next WMSABC board meeting is on September 23, 2013.
