Spring Sports Registration-

There were some issues with registration. There are policies in place and need to be followed. The goal of the policies is to be inclusive to all. There are some exceptions to the policy but overall should be followed.

Registration board position:

Since Tamara has resigned, effective end of year but is unable to fulfill her duties until the end of the year, it was recommended that Jamisha Breland take on registration until the end of Tamara's term.

Robert made a motion that Jamisha replace Tamara until May 2015. All approved.

Physical Night and Banners: Troy King

County has decided to give free physicals to middle school kids.

Mr. Wray- typically money raised goes to scholarship kids so how will this affect our scholarships?

Sheri Geraghty- We spend \$2000-\$3500/year depending on sports.

Shouldn't affect our scholarships.

Troy would like the booster club to pay for some of his classes to become a certified athletic director. The board voted it was approved to pay for 2 or 3 classes.

Banners- decided to go with vinyl banners for sports teams to hang in gym.
